The Big Picture: Kentucky's Big Goal

- To increase educational attainment (certificate and above) to 60% by 2030.
- KY's current attainment level for working-age adults is 45%.
- Based on HB 1 (1997) goal to achieve "a standard of living and quality of life that meets or exceeds the national average," to be "accomplished through increased educational attainment at all levels."

The Big Picture: Three Focus Areas

- **OPPORTUNITY.** How can Kentucky encourage more people to take advantage of postsecondary opportunities?
- **SUCCESS.** How can Kentucky increase degree and certificate completion, fill workforce shortages, and guide more graduates to a career path?
- **IMPACT.** How can Kentucky's postsecondary system create economic growth and development and make our state more prosperous?

In what areas do teachers say they want additional training?

What is Student Success?

- Students meet college readiness standards, applies for admission to postsecondary education and successfully transitions to a postsecondary institution
- Students persist to completion and attainment of their degree, program, or educational goal.
- Students achieve satisfactory or superior levels of academic performance as they progress through and complete their college experience
- ✓ **Students develop as a “whole person” as they progress through and complete their college experience.**

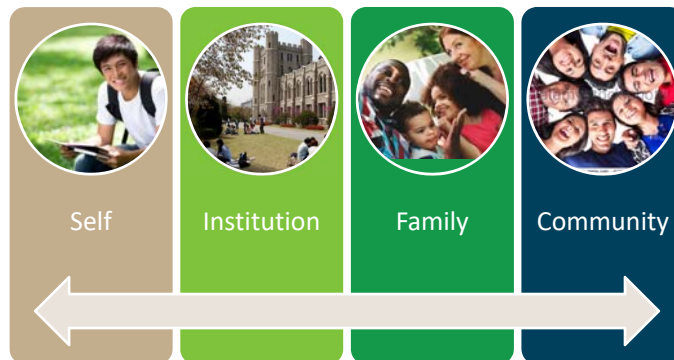

Why do some students not succeed?

1. Academic Under-preparedness
2. Low Initial Commitment
3. Low Motivation for Academic Learning
4. Competing Commitments
5. Lack of Social Integration
6. Personal (Psychosocial) Adjustment Issues
7. Institutional Frustration/Dissatisfaction

Four Pillars of Student Success

Four Pillars of Student Success

Seven Principles of Student Success

1. Personal Validation
2. Self-Efficacy, Growth Mindset, & Grit
3. Finding Meaning and Purpose
4. Active Involvement (Engagement)
5. Reflection
6. Social Integration
7. Self-Awareness

Connections = Success

Four particular forms of interaction have been found to be strongly associated with improving student performance:

Student-Faculty
Interaction

Student Interaction
with a Guidance
Counselor

Student Interaction
with a Mentor

Student-Student
(Peer) Interaction

Why Dual Credit?

- Increases access to affordable college opportunities
- Increases college enrollment
- Improves on-time college graduation rates
- Key element of curriculum pathways

Dual Credit in KY: The Impetus

Unified Strategy for College and Career Readiness (SB1 2010)

Accelerated Learning Opportunities - Expand access to Advanced Placement and International Baccalaureate and dual credit opportunities

Secondary Intervention Programs – Develop & implement transition coursework (middle & high school intervention programming, free & online)

Advising - Implement Individual Learning Plans and comprehensive advising programs (Operation Preparation)

Postsecondary Success - Implement bridge programming, supplemental credit-bearing coursework, and student support and intervention systems

Dual Credit in KY: The Implementation

Accelerated Learning Opportunities:

Dual Credit Policy and Early College Programming

- Ensures quality dual credit programming is affordable and transferable.
- All dual credit courses must meet the general education and career and technical education pathway requirements established in policy.
- Requires a minimum of 3 general education and 3 career and technical education courses within a recognized career pathway are available to every high school graduate.
- The policy can be found at <http://cpe.ky.gov/policies/dualcredit.html>.
- **Dual Credit and Early College Admissions criteria are being developed for consideration by the CPE board in early 2018.**

Dual Credit in KY: The Implementation

Dual Credit Scholarship Program

- ❖ Every Kentucky high school student can earn credit for up to two college courses AT NO COST TO THE STUDENT
- ❖ Participating colleges and universities agree to charge no more than the dual credit tuition ceiling rate, which is 1/3 of the KCTCS hourly tuition rate (\$54 per credit hour for the 2017-18 year)
- ❖ Started in Fall 2016 with Governor Bevin's Executive Order.
- ❖ In March 2017, the Dual Credit Scholarship Program was codified in statute.

Dual Credit in KY: The Impact

Dual Credit Scholarship Program

- ❖ In the first year of the scholarship program, 24,855 high school students took 30,803 dual credit courses using scholarship dollars.
- ❖ KHEAA disbursed \$4.5 million in scholarship funding in 2016-17.
- ❖ In 2017-18, we are on track to significantly increase dual credit scholarship participation in Kentucky. Final data for 2017-18 will be available in the summer of 2018.

How else is KY supporting student success?

Performance Funding

35% Student Success

- Degrees and credentials awarded.
- Degrees per 100 full-time enrollments.
- STEM+H degrees.
- Degrees earned by minority and low-income students.
- Student progression.

10% Maintenance and Operations

Based on each institution's share of square footage dedicated to student learning.

35% Course Completion

Based on each institution's share of sector total student credit hours earned, weighted to account for cost differences, degree level and academic discipline.

10% Academic Support

Based on each institution's share of sector total full-time enrollment.

10% Institutional Support

Based on each institution's share of sector total instruction and student services spending.

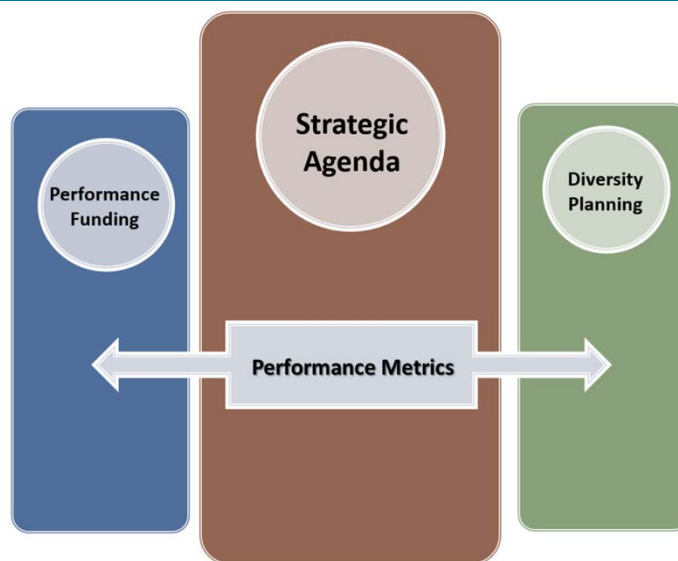

How else is KY supporting student success?

Statewide Diversity, Equity & Inclusion Policy (2016)

- Public colleges and universities establish annual diversity plan with specific performance targets:
 - Enrollment of underrepresented minority students
 - First-to-second year retention of underrepresented minority students
 - Graduation rates and degrees awarded to underrepresented minority students
 - Percent of faculty/tenure track employees and administrators who are from an underrepresented minority group
- Report progress annually to Committee on Equal Opportunities
- Institutions that do not meet standards will lose automatic eligibility to offer new academic programs
- <http://cpe.ky.gov/policies/diversity.html>

What Can You Do?

Strategies to support greater dual credit access and quality

1. Scale policy implementation guidelines
2. Middle and high school intervention programming for academic readiness
3. Advising initiatives
4. Professional development for faculty and staff
5. Communication efforts with parents and families
6. Oversight of coursework, including student learning outcomes
7. Monitor student progress and success
8. Monitor achievement gaps in participation
