If an audit reveals underpayments then Eligible Participant will pay to HPE such underpayments. If underpayments discovered exceed ten (10) percent of the contract price, Eligible Participant will reimburse HPE for the auditor costs. HPE rights to audit under this section shall survive for two (2) years past the purchase of the perpetual license, or expiration of any maintenance period or the termination of the license whichever is greater.

39. Confidentiality. Information exchanged under this Agreement will be treated as confidential if identified as such at disclosure or if the circumstances of disclosure would reasonably indicate such treatment. Confidential information may only be used for the purpose of fulfilling obligations or exercising rights under this Agreement, and shared with employees, agents or contractors with a need to know such information to support that purpose. Confidential information will be protected using a reasonable degree of care to prevent unauthorized use or disclosure for three (3) years from the date of receipt or (if longer) for such period as the information remains confidential. HPE does not intend to have access to personally identifiable information ("PII") of Eligible Participant in providing services. To the extent HPE has access to Eligible Participant PII stored on a system or device of Eligible Participant, such access will likely be incidental and Eligible Participant will remain the data controller of Eligible Participant PII at all times. Consistent with applicable law, HPE will use any PII to which it has access strictly for purposes of delivering the services ordered. Should the parties determine that HPE will have access to greater PII, the respective obligations of both parties shall be set forth in Supporting Materials.

If delivery of support is made more difficult because of ineligible products, HPE will charge you for the extra work at HPE's published service rates.

All Designated Callers must have the proper

system identifier as provided to you when Support is initiated. Solution Centers may provide support in English or local languages, or both.

- **HIPAA Customers.** You represent that you are not a Covered Entity or Business Associate under the U.S. Health Insurance Portability and Accountability Act (HIPAA), and that you will not be creating, receiving, maintaining, or transmitting protected health information.
