

Midwest Student Exchange Program

Since 1994, the Midwestern Higher Education Compact has been expanding access and providing more affordable educational opportunities for students to attend out-of-state institutions at reduced costs. The Midwest Student Exchange Program offers reduced tuition rates to students in participating states and serves as the Midwest's largest multi-state tuition reciprocity program.

How to Join

First,

your State Higher Education Executive Office must endorse the program by signing the Midwest Student Exchange Program State Participation Agreement.

Second,

your institution's chief executive officer or designee must complete and sign the Midwest Student Exchange Program Participation Declaration.

Nearly **100 INSTITUTIONS** benefit from participation in the Midwest Student Exchange Program currently.

✓ **INCREASE STUDENT ENROLLMENT**

✓ **INCREASE PROGRAM AWARENESS**

✓ **TARGET DEGREE PROGRAMS WITH CAPACITY**

⌚ Institutions should indicate when to begin enrolling students under Midwest Student Exchange when they sign the Institutional Participation Declaration. Residents of states participating may enroll in programs in other participating states only at the degree level at which their home state admits students.

⚠ Status is retained as long as students are enrolled in the program to which they were originally admitted and they are making satisfactory progress toward a degree. Extension of the tuition privilege to students already enrolled is at the discretion of the institution.
