### 4.3.3 Xerox Tools Device Data Elements

The Parties shall jointly provide as many of the Device Data Elements outlined in Exhibit A, as is appropriate, for the purposes of maintaining the current asset database in the Xerox Tools. It is understood that some Device Data Elements may not be available and that those missing elements shall be accepted by both Parties. Customer is responsible for providing Xerox with relevant information during the Assessment of the Devices.

All required Device Data Elements must be correctly identified and populated in the Xerox Tools database before the Device can be put In-Scope and managed.

### 4.4 Transformation Design

#### 4.4.1 Site Plan Design

Following the completion of Assessment, Xerox shall propose a Site Plan. The Site Plan recommendation shall include:

- Asset Disposition List
## 4.4.2 Site Plan Review Process

The Site will be considered Transformed (completed) when the configuration of Devices at the Site aligns to the mutually agreed upon Site Plan. If Customer requests Equipment to be added to a Site Plan after a Site has been Transformed, those Devices will be considered Additional Equipment, and handled using the “Add” process detailed in the MACD section of this document.
4.6 Delivery, Installation, and Removal

All delivery, installation, and related removal activities work will be performed during Business Hours. Any Services to be performed outside Business Hours will require a request by the Customer with sufficient advance notice for Xerox to comply with the delivery and installation of any Equipment, and additional device delivery appointment charges may apply as per the Exhibit B Fee Schedule. If an item assigned to and confirmed by Customer as complete is determined to be incomplete at time of Equipment installation, a Site revisit charge, as provided under Exhibit B Fee Schedule shall apply.

Removal of devices, by Xerox, shall be scheduled to be completed in conjunction with Equipment delivery. Removal of devices that requires additional trips to the Site shall be charged a Site revisit charge, as provided under Exhibit B Fee Schedule.

Xerox shall remotely configure some or all Equipment using secure software applications/tools (including but not limited to: LogMeIn, VPN Connection, or WebEx) and Internet-based network connectivity to the Customer’s data network and Sites. Xerox shall utilize said applications/tools during a remote session or sessions. Customer acknowledges and agrees to support Xerox in providing the IT and Site or Customer facilities contact information to facilitate and enable Xerox to perform such remote installation and configuration of Equipment.

5.2 Service Level Management

5.2.1 SLA Metrics

Each Service Level Agreement (SLA) described in this section is the standard against which Xerox’s performance will be measured. The measurement of any SLA under this SOW excludes any out-of-scope products and services including, but not limited to any existing devices and Ad Hoc Requests. The SLAs against which Xerox shall be measured are represented in the table below. Except as otherwise specified, all references to hours shall be to local time in the time zone in which the Device is located and refer to Business Hours; and all references to days, months, and quarters shall be to Business Days, calendar months, and calendar quarters respectively. Xerox will measure SLAs monthly and will report on them as part of monthly performance reports as outlined in this SOW. In the event that Xerox, after documenting a reasonable effort to contact the End User or gain access to the failing Device, is delayed for reasons outside Xerox’s control beyond its ability to meet the SLAs, the Break Fix Service Incident will be excluded from the SLA measurement calculation.

5.2.2 Service Levels - Equipment

Unless specifically stated, these metrics apply to the total fleet of Xerox Equipment. The Equipment Uptime measurement applies to the Equipment population and is calculated on a 3-month rolling average.

<td>Resolution of Break Fix Service Incidents within the SLA</td>
<td>[insert SLA]</td>
<td>[insert %]</td>
</tr>
</tbody>
</table>

5.2.4 SLA Measurement

The performance measurement for each SLA will be the aggregate of all Break Fix Service Incidents for that given SLA shown in the table above. Each activity falling in the Service Level Objective category will be measured to determine if it has met the SLA target or not. The total number of missed Break Fix Service Incidents will be subtracted from the total number of Break Fix Service Incidents, and that result will then be divided by the total number of Break Fix Service Incidents. The result will be expressed as a percentage.

**Equipment Uptime**

**SLA Definition**

A measurement of the percentage of time the Equipment is available for use within Business Hours. Equipment is available when its primary Capabilities (including print, copy, scan, and/or fax) are usable by the Customer. Equipment Uptime times apply to Equipment-related Break Fix Service Incidents only.

**Measurement Basis**

Basis: Availability of Equipment in a given three (3) month rolling period. For Network-Attached Equipment, availability will be measured by Xerox using a combination of the Xerox Tools, and outage reports. For non-Network-Attached Equipment, availability will be measured by Xerox using Break Fix Service Incidents and outage reports only.

**Measurement Computation**

Equipment Uptime% = Total Business Hours available in a calendar month minus Unplanned Outage Hours (as defined below) divided by Total Business Hours (as defined below) available in a three (3) month rolling period.

Total Business Hours available within a calendar month equal the total number of units of Equipment (as recorded in the Xerox Tools) times the number of Business Hours in the calendar month minus any time for planned outages required for preventive maintenance. Unplanned Outage Hours equals the time when a piece of Equipment is unavailable to use because it has failed, or a Supply is required, and none exists at the point-of-use. Unplanned outages not included in the computation include but may not be limited to: power failure, network failure, virus, Customer security protection measures or disruptions, or other Customer limitation, fire/flood/disaster or other Force Majeure event, misuse, abuse, or Customer Caused Failure - e.g., moving the machine, or Customer Software issues.

**Break Fix Xerox Service Desk Response Time**

**SLA Definition**

The duration (in Business Hours) required to initiate and triage a Break Fix Service Incident by the Xerox Service Desk. Response time is measured from the time Xerox is notified of the issue (either electronically or verbally) to the time the Xerox Services Desk begins the triage and resolution process. Break Fix Xerox Service Desk Response times apply to reactive Break Fix Service Incidents only.

**Measurement Basis**

The % of Break Fix Service Incidents responded to by the Xerox Service Desk within the SLA performance specification.
### Measurement Computation

| Break Fix Xerox Service Desk Response Time % = Number of Break Fix Service Incidents (Reactive only) responded to by the Xerox Service Desk within the SLA performance specification for a given calendar month divided by the total number of Break Fix Service Incidents responded to by the Xerox Service Desk in that same calendar month. The measurement includes Customer requests only. Proactive Service Incidents are not included in this calculation. |

#### Break Fix Resolution Time

| SLA Definition | The duration (in Business Hours) required to resolve a Break Fix Service Incident on a Device whose primary Capabilities are not available for use. This applies to Break Fix Service Incidents received by 2:00 p.m. local time. This is measured from the time Xerox is notified (either electronically or verbally) that the Device is unavailable for use to the time when the Device is returned to availability (including print, scan, copy, or fax as applicable). Break Fix Resolution times apply to Device-related Break Fix Service Incidents only. This SLA includes Device issue resolution conducted by means of a remote Xerox Service Desk agent. This could be either a “Proactive” or “Reactive” Break Fix Service Incident as described in the Xerox Service Desk section of this SOW. |
| Measurement Basis | The % of Break Fix Service Incidents resolved within the performance specification. |
| **Measurement Computation** | Break Fix Resolution Time % = The number of Break Fix Service Incidents that closed within the performance of the SLA specification within a given calendar month divided by total number of Break Fix Service Incidents closed within the reported calendar month. Xerox will measure the elapsed time of each Break Fix Service Incidents using Xerox® Tools. The Xerox Tools will calculate the percentage of Break Fix Service Incidents meeting the specified performance level. Exceptions: Break Fix Service Incidents will be exempt from the measurement criteria if Xerox, after documenting a reasonable effort to contact the End User or gain access to the failing Device, is delayed beyond their ability to meet the Service Level Agreements (outside of Xerox’s control). In addition, Break Fix Service Incidents related to power failure, network failure, virus, Customer security protection measures or disruptions or other Customer limitation, fire/flood/disaster or other Force Majeure event, misuse, abuse or Customer Caused Failure are exempted. |

5.4 Xerox Service Desk Support

The Xerox Service Desk will handle requests, incidents, supplies ordering, MACD administrative support, and asset database management for all Services and Devices.

5.4.1 Xerox Service Desk

The Xerox Service Desk provides Service Incident Management. The Xerox Service Desk receives and processes both reactive Service Incidents initiated by the Customer and proactive Service Incidents that are initiated by network-connected Devices using Xerox Tools. If a Service Incident reported to the Xerox Service Desk is identified as an issue that the Customer is responsible for resolving, including without limitation, desk-side support, print queue/print server, or network connectivity, then the Xerox Service Desk shall send the Service Incident to the Customer’s Service Desk for closure/resolution, along with any available problem identification information that was provided to Xerox.

| 4. | **Proactive Services:** Xerox will proactively monitor the Network-Attached Devices for Supply and Break Fix alerts remotely, using Xerox Tools, which will auto-generate Service Incidents | Xerox       |

5.4.3 Proactive Service Incidents

Proactive alerts enable Xerox to provide proactive Break Fix Service delivery and Supplies monitoring and just-in-time delivery for Network-Attached Devices.

If Xerox Tools detect a Device condition that has exceeded an established threshold, then a Device remote alert shall be generated, and the Incident shall be reported to the Xerox Service Desk.

### 5.5 Break Fix Management

Xerox shall provide the management of Break Fix Service Incidents to the point of issue resolution including, but not limited to remote resolution, dispatching of a technician or vendor, tracking the status of Break Fix Service Incidents, and reporting on Service performance levels as set forth in this SOW. The Customer will provide access to each Site and Device. Remote monitoring of Network-Attached Devices enables Xerox to remotely resolve or proactively dispatch a Xerox resource for Break Fix Service Incident resolution. In the table below are conditions required for Xerox’s effective delivery of the Services described in this SOW.

#### 5.5.1 Third Party Hardware (if applicable)

For In-Scope Third Party Hardware, Xerox shall follow OEM guidelines on whether a component is End User replaceable or not. If Xerox determines that a unit of In-Scope Third Party Hardware is classified by the OEM as service discontinued, or parts or Supplies are no longer commercially available, or the cost of repair exceeds the value of the Third Party Hardware, Xerox shall discontinue Break Fix Service. Customer may: (i) replace such In-Scope Third Party Hardware at its own expense with a Device that is then-supported by Xerox; or (ii) notify Xerox to delete such In-Scope Third Party Hardware from the Services set forth herein, via the Change Control Process.

5.5.4 On-Site Activities and Storage Areas

Xerox and the Customer will mutually agree on the provision of locked storage areas, where required, to maintain an agreed to supply of backup Devices, and parts, needed to provide Services to End Users per the requirements of this SOW. Stored Devices are also tracked in the Xerox asset database. Devices removed from secure storage by Customer staff must be coordinated with Xerox operations to assure proper asset tracking. Local Customer personnel access to secured storage must be limited. Xerox is not responsible for loss of items that are not solely controlled by Xerox. Customer will provide:

- Suitable working space with Customer network access and lockable closet storage for Devices, spare parts and Supplies as determined by Xerox
- Additional cubicle space in a Customer’s Site for Xerox use, if required

5.5.5 Environmental Health and Safety

Xerox maintains policies against operating Third Party Hardware that Xerox employees are not properly trained on.

Any safety related job procedures, hazardous materials information, and evacuation procedures must be provided to the Xerox resource. Xerox shall not take responsibility for any unauthorized, untrained Customer resource to operate Equipment. Unless mutually agreed upon by the Parties, Xerox resources are restricted to lifting materials of fifty (50) lbs. or less.

5.6 Supplies Management

Supplies for Network-Attached Devices, including OEM’s or Xerox approved compatibles, will be shipped to the address specified by Customer. Xerox is responsible for determining which type of Supplies shall be provided, in what quantity, when the Supplies shipment is sent, which Supplies are consolidated for shipment, and the method of shipment (standard is ground shipping) in order to maintain the desired level of service. This includes Supplies return processing. This service is also known as Automated Supplies Replenishment (ASR).

When Devices that are NOT Network-Attached are agreed to be In-Scope under this SOW, Supplies will need to be manually ordered by Customer per the reactive ordering process provided by Xerox.

The Customer is responsible to receive, distribute, and install the Supplies including cartridge-based maintenance kits.

- Equipment Uptime SLA commitments are dependent on the Customer’s ability to perform this effort
- Devices qualifying for this service must be connected to the network, communicating and compatible with the Xerox Tools for Supplies monitoring

If Customer requires OEM Third Party Supplies other than OEM compatible, Customer shall be billed for such OEM Third Party Supplies. Xerox is not liable for constrained or discontinued Third Party Supplies.

In order to maximize Supplies utilization, Customer agrees that all Supplies shall be run to their cease function point before being replaced.

Customer may return designated used Supplies using the process described at the URL below. Supplies returns require the Customer to go to Xerox.com.

The Xerox Supplies return process is fully described at:

**Note:** The above methods of return or website listed above are subject to change during the Term.

Supplies are Xerox property until used by the Customer, and Customer shall use them only with Devices. Upon request, Customer shall provide a list of Supplies in its possession. Xerox reserves the right to audit consumption of Supplies at a Site if Xerox detects anomalous usage of Supplies. Customer shall assist Xerox in Supplies yield investigations and the determination of the cause of the anomalous usage.

Upon expiration or termination of the Services, Customer shall, at Xerox’s option and expense, return any unused Supplies to Xerox, permit access to its facilities to permit collection, or dispose of them as directed in writing by Xerox.

Customer shall be responsible for storing Supplies safely and securely at each Site to prevent unauthorized use or loss of Supplies, including providing Xerox with a list of End Users at each Site that are responsible for managing Supplies. Xerox reserves the right to inspect each Supplies storage location to validate security of the storage location.

### 5.7 Move, Add, Change, and Dispose (MACD)

The business processes used to manage Devices are the Move, Add, Change, and Dispose (MACD) processes. Accurate and timely compliance with MACD processes are critical to the success and function of the Services. Customer shall promptly communicate to Xerox all activities associated with the MACD processes (explained below) for any Device with an Asset Tag Number. MACD activity may require approval by the Parties via the Change Control Process. Xerox will be the central point and source of record for all activities associated with the MACD processes of all Devices supported in this SOW.

#### 5.7.1 Move

Device moves are considered Ad Hoc Requests. Additional charges as provided under Exhibit B Fee Schedule shall apply.

</table>

Xerox provides guidance and recommendations at [http://www.xerox.com/security](http://www.xerox.com/security) to facilitate this process.

#### 5.8.1 Additional Security Requirements

During the life of this SOW, Customer may request additional security features or functionalities; which may be fulfilled through:

- Implementation of an application to provide new functionality such as ‘follow-you’ printing
- Any such requests may be made according to the Change Control Process and would incur additional charges.

#### 5.8.2 Virus Protection

Customer is responsible for all virus protection in the Customer Output Environment. In the event that Customer detects a virus on any device in the Output Environment, then Customer will immediately notify the Xerox Service Operations team.

#### 5.8.3 Data Security

Prior to removal from the Customer’s Output Environment, Xerox may, for an additional fee, remove the hard drive from Equipment and provide to Customer for erasure or destruction. Customer will not be charged for hard drive removal during a Break-Fix event. Customer is responsible for the proper disposal of the removed hard drive once delivered to Customer.
5.8.4 Equipment Base Software Updates

Periodically, Xerox will make Base Software updates available for Equipment. These updates may provide Customer with new feature enhancements or patches for known security vulnerabilities of installed Equipment.

5.9 Accessing Xerox Service Features

5.9.1 Xerox Services Portal

The Xerox Services Portal (XSP) is intended for general End User population use, with certain functions reserved for specified Customer’s authorized End Users (“XSP Authorized End Users”). This portal is created from a standard template and enables the following functionality:

- For all End Users: Impression Volume (meter read) submission for non- Network-Attached Devices; and access to information on Xerox Equipment (virtual demos and End User education). This help feature for End Users provides deep links to Xerox.com Equipment information and support for Equipment in the Output Environment.
- For Customer’s XSP Authorized End Users: Ticketing creation and tracking for Break Fix Service Incidents and Supplies Service Incidents ordering for special situations or for non- Network-Attached Devices.
- Some field customization is available including utilizing Customer Logo and posting of End User documentation: End User documentation can include FAQs, printing tips, and instructions.
- Survey / voice of the Customer feedback: This enables the use of a simple five (5) question survey, designed for use by End Users to collect End User feedback.
- Available in US English and Canadian French

</tr>
</tbody>
</table>
6. Update and maintain XSP Authorized End Users during Service Operations  Xerox and Customer

5.9.1.1 General Assumptions for the Xerox Services Portal:

The Xerox Services Portal is implemented to display End User documentation and Equipment information commonly to all End Users. Xerox shall provide a quote to Customer, if Customer requests two (2) or more End User groups that would require different information to be displayed. Approved requests will be outlined via the Change Control Process and may incur an additional charge.

The Xerox Services Portal utilizes the Customer’s existing print queues if the install and find Device feature is needed. End Users may be categorized in the following XSP groups: Customer (End Users) or privileged Customer (XSP Authorized End Users). No other custom groups are available.

5.9.1.2 Advanced Features for the Xerox Service Portal:

The find / install Devices feature enables End Users to find Devices and install their print drivers on their systems from the portal web page.

In order for Find/install Devices to work, the Customer must be using print queues. This functionality relies on accurate print queue information. The Customer must provide a listing of each Device’s print queue. It is important that MACD processes are followed closely to make sure that Device floor maps and queue data are accurate.

While physical Device floor maps are not an absolute requirement, if provided, they enable End Users to see the Device’s physical location on a map. If direct IP printing is used rather than print queues, a quote shall be provided to the Customer for additional setup costs.

5.9.2 Fleet Management Portal (FMP)

The Fleet Management Portal (FMP) is a convenient and simple to use method to access certain Xerox Services intended for Customer’s authorized End Users (“FMP Authorized End Users”) (i.e. IT managers, Service Desk personnel, etc.). Xerox shall establish a web portal for Customer’s FMP Authorized End Users to provide access to the following features:

- Device Information
- Impression Volume (meter read) submission
- Break Fix Service Incident creation and tracking
- Supplies Service Incident creation and tracking

5.9.2.1 General Assumptions for Fleet Management Portal (FMP):

The Fleet Management Portal (FMP) is implemented to display information to Customer’s FMP Authorized End Users. Language implementation is English. The default color theme is Xerox Gray.

5.9.3 Xerox Support Assistant (XSA)

Xerox Support Assistant (XSA) provides timely information to all End Users without the need to contact the Xerox Services Help Desk. All End Users may view Service Incident status messages on the local user interface (UI) of the Equipment configured to use XSA.
The following are requirements to enable XSA to be configured on Equipment:

- Equipment must be In-Scope and registered in the Xerox Tools.
- Equipment MFPs or printers must support the Xerox Extensible Interface Platform® (EIP) version 2.5 or higher.
- The Xerox Extensible Interface Platform® must be enabled to allow the Xerox Support Assistant to be installed on the Equipment.
- If the Equipment is on a network that uses a proxy to access the internet, the proxy also needs to be configured.

THIS ORDER ADDENDUM (this “Addendum”) amends the Order (WU# ______) (the “SSO” or “Order”) together with Services Contract #7 ______ (the “Services Contract”), by and between ______ (“Customer” or “you”) and Xerox Corporation (“Xerox”) (each, a “Party” and, jointly, the “Parties”) issued pursuant to the terms and conditions of that certain Services Master Agreement No. ______, effective ______, by and between the Parties (the “Agreement”). All capitalized terms not otherwise defined herein shall have the meaning set forth in the Agreement. The effective date of this Addendum is the effective date of the SSO to which this Addendum is attached.

The Parties hereby agree that the content of “Services Contract Terms and Conditions” on pages ______ through ______ of the SSO is hereby deleted in its entirety and replaced with the following, and that these terms and conditions are supplemental to those of the Agreement and elsewhere in this SSO, and apply only to the specific products that are referenced in these terms and included in this SSO:

“MATHWORKS SOFTWARE LICENSE. The Equipment incorporates software from MathWorks, Inc. (“MathWorks”) and the following terms apply to said software:

a. LICENSE GRANT. Subject to the restrictions below, MathWorks hereby grants to Customer a license to install and use the MATLAB Compiler Runtime Libraries (“MCR”), solely and expressly for the purpose of running software created with the MATLAB Compiler (the “Application Software”), and for no other purpose. This license is personal, nonexclusive, and nontransferable.

b. LICENSE RESTRICTIONS. Customer shall not modify or adapt the MCR for any reason. Customer shall not disassemble, decompile, or reverse engineer the MCR. Customer shall not alter or remove any proprietary or other legal notices on or in copies of the MCR. Unless used to run Application Software, Customer shall not rent, lease, or loan the MCR, time share the MCR, provide service bureau use, or use the MCR for supporting any other party’s use of the MCR. Customer shall not sublicense, sell, or otherwise transfer the MCR to any third party. Customer shall not republish any documentation that may be provided in connection with the MCR. All rights not granted, including without limitation rights to reproduce, sublicense, rent, sell, distribute, create derivative works, serve other software by means of, decompile, reverse engineer, and disassemble the MCR, are expressly reserved by MathWorks.

c. NO TECHNICAL SUPPORT. Technical support is not provided by MathWorks for users of the MCR under this license. MathWorks may, at its sole discretion, offer bug fixes or updates to the MCR.

d. TERM AND TERMINATION. This license shall automatically terminate upon your failure to comply with this license.

e. EXPORT CONTROL. The MCR may be subject to U.S. and non-U.S. export control laws and other applicable governmental export and import laws and regulations.

In exercising your rights under this license, Customer agree not to violate any such laws and regulations. Customer also represent and warrant that (i) Customer are not located in a country that is subject to a U.S. Government embargo, or that has been designated by the U.S. Government as a “terrorist supporting” country; and (ii) Customer are not listed on any U.S. Government list of prohibited or restricted parties.

f. U.S. GOVERNMENT LICENSEEES: Customer agree that the MCR qualifies as commercial computer software or documentation as defined in the FAR and/or DFARS; that the terms and conditions of this MCR (MATLAB Compiler Runtime) LIBRARIES LICENSE shall govern your use, reproduction, performance, display, and disclosure of the MCR, superseding any inconsistent government provisions.

g. ASSIGNMENT. Customer may not assign or otherwise transfer this license and its rights and obligations hereunder, in whole or in part.

h. LIMITATION OF LIABILITY. To the extent permitted by law, any liability of MathWorks (whether in relation to breach of contract, negligence or otherwise) shall be limited to ten dollars ($10.00 USD); and MathWorks shall have no liability for any indirect or consequential loss (whether foreseeable or otherwise and including loss of profits, loss of business, loss of opportunity, and loss of use, or unauthorized use or access, of any computer hardware or software). Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion or limitation may not apply to Customer. MathWorks’ liability for death or personal injury resulting from negligence or for any other matter in relation to which liability by law cannot be excluded or limited shall not be excluded or limited.
i. DISCLAIMER OF WARRANTIES. The MCR is delivered “as is” and MathWorks makes, and Customer receive, no additional express or implied warranties. MathWorks hereby expressly disclaims any and all other conditions, warranties, or other terms of any kind or nature concerning the MCR (including, without limitation, any with regard to noninfringement, merchantability, quality, accuracy, or fitness for a particular purpose or for your purpose). MathWorks also expressly disclaims any warranties that may be implied from usage of trade, course of dealing, or course of performance.

j. GOVERNING LAW; JURISDICTION. This license shall be governed by the laws of the Commonwealth of Massachusetts, United States of America, without regard to its conflicts of law provisions. Neither the U.N. Convention on Contracts for the International Sale of Goods nor the Uniform Computer Information Transactions Act, or any version thereof (“UCITA”), shall apply to this license. To the extent that UCITA is applicable, the parties agree to opt out of the applicability of UCITA.

k. ENTIRE AGREEMENT. This license contains the entire understanding of the parties with respect to the MCR provided hereunder, and may not be modified or amended except by written instrument, executed by MathWorks and Customer. This license shall not supersede any product license Customer have with MathWorks for the MATLAB Compiler.

RESPONSIBILITY FOR MEETING CERTAIN CED REQUIREMENTS. You are solely responsible for fulfilling all of your obligations set forth in the Customer Expectations Document (“CED”) for the Equipment, including, but not limited to, meeting all environmental, product space and power, and network connectivity requirements. In addition, the CED and User Guide (“Guide”) set forth certain operator maintenance activities that you are responsible for performing at the intervals indicated therein. You may have Xerox perform, or assist in the performance of, any of these operator maintenance activities, subject to the availability of Xerox certified technicians, upon your agreement to pay Xerox’s then-prevailing service call rates.

NON-SP EQUIPMENT GUARANTEE DISCLAIMER. Per section 10 of the MHEC Contract # 05012018, the Non-SP Equipment Guarantee does not apply to the Equipment on this Order.

INK AND PRINT HEAD MAINTENANCE SERVICES. Repairs that are needed due to misuse, neglect or abuse (which are excluded from Xerox’s provision of Maintenance Services as described in Section MS 1.1 of the Agreement), specifically include, but are not limited to, your failure to ensure that inks and consumables are correctly loaded into the Equipment and to properly perform operator maintenance in a timely manner. The correct method of loading ink is described in the Guide. Customer is liable for any and all damage, including all repairs, arising out of incorrect loading of ink or from the failure to properly perform operator maintenance in a timely manner.

Routine refurbishment and replacement of print heads is covered under this Agreement at no additional charge to you. Xerox’s refurbishment and replacement obligations can be voided if you:

(a) fail to perform routine maintenance as specified by Xerox;
(b) use inks, consumables (including paper) or spare parts, which do not meet Xerox specifications;
(c) allow or cause the changing or handling of a print head by anyone other than a Xerox certified service representative;
(d) allow the repair of the Equipment or a print head by anyone other than a Xerox certified service representative;
(e) fail to maintain the environmental specifications required by Xerox including but not limited to specifications for humidity and/or temperature during operation of the Equipment;
(f) fail to follow Xerox’s operating procedures while operating the Equipment; or
(g) allow the Equipment to be operated by employees that have not received Xerox training.

Xerox will not be required to repair or replace a print head if the cause of the subject failure is covered by any of the specific causes listed above or any other exclusion set forth in the Agreement or the applicable CED or Guide, and you will be required to pay for the repairs to the, or to purchase a replacement, print head. You agree to perform all maintenance tasks when directed to do so by the status messages on the Equipment’s interface window and/or as outlined in the Equipment’s CED or Guide.

In the event of the failure of a print head, you and Xerox will jointly review the maintenance history, and any other relevant data. If you have complied with the foregoing requirements, as demonstrated by the Equipment and/or in
the Equipment’s CED and Guide and any other relevant data, Xerox will replace the failed print head in accordance with this Agreement at no charge to you.

In the event you have failed to perform the maintenance tasks as directed to do so by the Equipment’s interface window and/ or as outlined in the Equipment’s CED and Guide, or any other relevant data demonstrates that you have failed to adhere to the requirements set out in the CED or Guide, you will return the damaged print head to Xerox in accordance with the process that is communicated to you and managed by your Xerox certified service representative. The determination of your liability or non-liability must be made in each instance prior to your returning the damaged print head to Xerox.

In a case where your liability for repair or replacement has been agreed to, following return of a print head, Xerox will in good faith determine if the print head can be repaired or must be replaced. Xerox will communicate its determination to you promptly and provide at such time its good faith estimate of the cost of the remedial action to be undertaken. In a case where your liability for repair or replacement has been agreed to, you will pay the amount invoiced by Xerox for the materials, associated work and shipping costs to repair or replace the subject print head. The amount to be invoiced shall be in line with Xerox’s good faith estimate and, in instances where a print head must be replaced, Xerox will charge you an amount not to exceed $12,500. While there is an agreement in place between you and Xerox that requires Xerox to provide Maintenance Services for the Equipment, if Xerox uses any of the spare parts located and stored at your site to keep the Equipment in good working order, Xerox will replace the spare parts used at no additional cost to you. Additionally, Xerox will not charge you for spare parts supplied from a Xerox storage or distribution facility used to keep the Equipment in good working order.

COMMENCEMENT & TERM. For the Equipment included in this Order, this provision supersedes and replaces any “Term” noted on the first page of this Order. This Order is valid when accepted by Xerox. The Term for each unit of Equipment will commence upon the installation of Xerox-installable Equipment as confirmed by your authorized representative signing the part of the Customer Implementation Sign-Off document wherein it is agreed that the delivery and installation of the Equipment, the training activities and the solution implementation in accordance with the CED and the SOW Acceptance Criteria have been completed (“Commencement Date”) and will continue for the number of full calendar months shown in the parenthetical under “Term” on the first page of this Order.

SUPPLIES AND SUPPLIES PRICING. The charges set out in the “Order Summary” table on page 1 of the Order and the “Xerox Equipment & Software Added” table on page(s) __ of the Order do not include charges for Xerox’s provision of supplies (as such term is used in the Supplies Exhibit attached to the Order) to be used with the Equipment subject to this Order. Supplies to be used with Equipment will be ordered separately by you using Customer Number       and are subject to the pricing, terms and conditions set forth in the Supplies Exhibit.

SERVICE LEVEL AGREEMENTS.

RESPONSE TIME: For the Equipment installed under this Order for which Maintenance Services is requested during your contracted CPOC (as defined below), Xerox will deliver an “Average Response Time Target” of between two (2) hours and four (4) hours.

“Response Time” is the amount of time during the CPOC between Xerox’s receipt of a Maintenance Services request from you and the arrival of a Xerox service technician at the site where the Equipment is located for a call that is not remotely resolved.

“Average Response Time” is calculated by dividing total Response Time for the Equipment during any three (3) calendar month period by the total number of Maintenance Services requests, for such Equipment during that three (3) month period. Xerox’s commitment to deliver the Average Response Time Target commences on the first day of the calendar month that begins at least one hundred and 120 days after the Effective Date.

After receiving a Maintenance Service request from Customer, Xerox will either (a) provide an estimated time of arrival of a service technician at the site where the Equipment is located, or (b) contact Customer (i.e., normally within one CPOC hour, on average) via telephone regarding the request. Failure to achieve the applicable Average Response Time Targets will not constitute a breach of the Agreement.

The “CPOC” for various service plans are as follows:

• 1 X 5 Service Plan – 8:00 a.m. to 5:00 p.m., Local Time Monday through Friday (excluding Xerox-recognized holidays)
• 2 X 5 Service Plan – 8:00 a.m. to 12:00 a.m., Midnight, Local Time Monday through Friday (excluding Xerox-recognized holidays)
• 3 X 5 Service Plan – 8:00 a.m. to 8:00 a.m., Local Time Monday through Friday (excluding Xerox-recognized holidays)
• 3 X 7 Service Plan – 8:00 a.m. to 8:00 a.m., Local Time Monday through Sunday (excluding Xerox-recognized holidays)

UPTIME. As the Equipment on this Order is a new generation of product, Xerox does not have nationwide established or validated uptime standards to which Xerox can commit. The Device Uptime Service Level Agreement in the MHEC Contract #05012018 incorporated into the Agreement does not apply to the Equipment on this Order.

EARLY TERMINATION. As per the Early Termination provision in Section EQP 1.6(c) of the Agreement, for every Order under this Services Contract number 7, you shall pay early termination charges as noted herein. If, prior to the end of the term of an Order hereunder, you terminate Equipment, require Equipment be removed or replaced or Xerox terminates an Order due to your default, you shall pay all amounts due Xerox as of that date, together with the Xerox-calculated monthly equipment component ("MEC"), which is available upon request and includes a disengagement charge, for all affected Equipment multiplied by the number of months remaining in said Order. In addition, you shall either make the subject Equipment (in the same condition as when delivered, reasonable wear and tear excepted) and its Software available for removal by Xerox when requested to do so or purchase the subject Equipment "AS IS, WHERE IS" and WITHOUT ANY WARRANTY AS TO CONDITION OR VALUE by paying Xerox the Fair Market Value ("FMV") of the Equipment at the conclusion of its term.

Unless otherwise defined herein, capitalized terms shall be as defined in the Agreement. Except as specified in this Addendum, all other terms and conditions of the SSO shall remain in effect as stated. In the event of a conflict between the terms and conditions of the Agreement or SSO and this Addendum, this Addendum will control.

Unless otherwise defined herein, capitalized terms shall be as defined in the Agreement. Except as specified in this Addendum, all other terms and conditions of the Agreement shall remain in effect as stated.

☐ The individual Agreement identified by WS# <<INSERT WORKSHEET #>> (the “Order”), by and between <<INSERT CUSTOMER NAME>> (“Customer”) and Xerox Corporation (“Xerox”). The effective date of this Addendum is the effective date of the Order to which this Addendum is attached. In the event of a conflict between the terms and conditions of the Order and this Addendum, this Addendum will control. Unless otherwise defined herein, capitalized terms shall be as defined in the Order. Except as specified in this Addendum, all other terms and conditions of the Order shall remain in effect as stated.

1. Selected Application(s): This Addendum applies to Customer’s acquisition of one or more of the Xerox Software Applications (“Application” or “Applications”) identified in Attachment A to this Addendum and are available in the Xerox App Gallery located at: https://appgallery.services.xerox.com. Please select the Application(s) and Subscription quantities you, as the Customer, are ordering in Attachment A to this Addendum.

2. Definitions applicable to this Addendum: The following definitions (and those found elsewhere in this Addendum) apply to this Addendum:

   “Activation Date” means the date Xerox enables an Application on Customer’s applicable Xerox-brand equipment (“Device” or “Devices”).

   “License Agreement” means the combination of terms found in (1) the Software End-User License Agreement for the Application or Applications located at the License Agreement tab at the respective hypertext link in the Xerox Apps Gallery for each respective Application (specific hypertext links for certain Applications are set forth on the attached Attachment A); and (2) applicable terms from the Xerox App Gallery found at this link https://appgallery.services.xerox.com/#!/terms.

   “Subscription” means the allowable usage and length of access to the Application. A Subscription is generated for an agreed contract Term and “Subscription Fee”, which Xerox will charge and Customer agrees to pay, as indicated on the applicable Order. A Subscription Fee is based upon the volume of devices for which Customer has Subscriptions by Application as indicated in Attachment A. Any additional Subscriptions for a given Application require an additional signed Order. A Subscription Fee may include a specific volume of allowable transactions (e.g. pages, scans or receipts per month) per device (a “Subscription Allowance”) as indicated in Attachment A. Customer may use Subscription Allowances on one or more devices, but if Customer’s aggregate volume across all devices exceeds Customer’s aggregate Subscription Allowances, the excess will be deemed “Excess Usage”. Excess Usage will be measured over a rolling three (3) calendar month period. For a given three (3) calendar month rolling period, if Customer’s average monthly volume exceeds its aggregate monthly Subscription Allowances, Xerox reserves the right to increase the Subscription Fee to reflect the higher volume via a mutually agreed upon signed Order or terminate the license for the Application(s) in question.

   “Third-party Software Terms” means third party terms and conditions associated with code developed by one or more third parties (“Designated Third-Parties”) which may apply to services associated with the Application or Applications. When applicable, Third-Party Software Terms will be located or described at the Software Disclosure tab at the hypertext link in the Xerox Apps Gallery for each respective Application.
“User(s)” mean Customer’s employees, consultants, service providers or any third-party clients authorized by Customer to use the Application or Applications and associated services.

“User Data” means, with respect to each Customer, all data and information of a User which is captured, stored or processed in any manner using the Application or Applications and associated services.

3. Description: Applications are described at the hypertext link for the corresponding Application or Applications identified in Attachment A to this Addendum. The description will include, but not be limited to, a brief description of functionality, technical requirements, supported languages, documentation including installation and support information and a software disclosure statement.

4. Customer Acknowledgements: Customer acknowledges and agrees that the use of an Application is subject to the applicable License Agreement. Some Applications include code developed by one or more third parties which may be subject to Third-party Software Terms. Customer agrees that its signature on this Addendum constitutes acceptance of the applicable License Agreement(s) and any applicable Third-party Software Terms. Customer shall not make use of the Application in any manner not expressly permitted by the License Agreement and/or the Third-party Software Terms.

5. Charges: Charges for use of an Application are set forth in the Order.

6. Additional Terms and Conditions:
   a. User Data. User Data may be stored or processed in accordance with the terms of the License Agreement and / or the Third-party Software Terms.
   b. Location of Servers. User Data submitted may be stored or processed on servers located in the United States or transferred to servers located outside of the United States in the sole discretion of Xerox or designated Third-party service providers.
   c. Internet Delays. Customer is solely responsible for selection and provision of an internet connection and hardware or software which may be required to access the Software Application and any related services. Neither Xerox nor designated Third-party service providers shall have any liability for the quality of Customer’s internet connection or the quality of the hardware and software that Customer uses to access the internet.
   d. NEITHER XEROX NOR DESIGNATED THIRD-PARTIES MAKE ANY REPRESENTATION, WARRANTY, OR GUARANTY AS TO THE RELIABILITY, QUALITY, SUITABILITY OR AVAILABILITY, OF THE APPLICATION OR APPLICATIONS OR THE RELIABILITY, TIMELINESS, QUALITY, SUITABILITY, AVAILABILITY, ACCURACY OF RELATED SERVICES. Xerox and Customer are each also referred to herein as a “Party” and collectively as the “Parties.”

1. This Addendum incorporates by reference all of the provisions of the Agreement. From and after the Amendment Effective Date, each reference in the Agreement to “this Agreement”, “this Services Master Agreement”, “herein”, “hereunder”, “hereto” or similar words or phrases, and all references to “the Agreement” in any amendments, related agreements, documents or other writings shall be deemed to mean the Agreement as amended by this Addendum.

2. All Schedules, Exhibits, Statements of Work and Attachments hereto are hereby incorporated into this Addendum by reference and made a part hereof. If there is any conflict between this Addendum and its Schedules, Exhibits, Statements of Work or Attachments, this Addendum shall control.

3. 4. DELAYS - The timeline for implementation of Customer’s Xerox® Digital Hub and Cloud Print Services shall be provided the SOW. This timeline does not anticipate any delays incurred due to the unavailability of Customer, Customer vendors or other non-Xerox individuals whose participation in the implementation of the Digital Hub and Cloud Print Services is critical, or any delays by Customer in providing requested information. In accordance with the Agreement, any delays that prevent Xerox from continuing work may result in implementation of the Digital Hub and Cloud Print Services being placed on hold by Xerox. Digital Hub and Cloud Print Services implementations that have been placed on hold will be identified by Xerox in writing and as stated in the Agreement, any associated costs will be invoiced to Customer. Such costs include, but are not limited to, increased charges and/or additional travel and reimbursed expenses. A. Early Termination: Either Party may terminate this Addendum prior to expiration of the SOW upon ninety (90) days prior written notice to the other Party. If Customer terminates this
Addendum prior to termination or expiration of the SOW, then Customer agrees to pay to Xerox any applicable early termination charges that are set forth in the SOW or the Agreement.

B. Effect of Termination: Upon termination or expiration of this Addendum all rights to access the applicable Digital Hub and Cloud Print Services cease.

6. CHANGES – Any amendments, modifications, alterations or other changes to this Addendum must be made in a writing signed by both Parties and upon execution, will be incorporated into this Addendum.

C. The Xerox® Digital Hub and Cloud Print Services is a hosted software solution that uses the Xerox® Multi-Channel Engagement Platform. Customer acknowledges that the Xerox® Multi Channel Engagement Platform includes technology provided by third party vendors that may be governed by separate agreements between Customer and the third party provider. Customer understands and agrees that Xerox makes no representation or warranty with respect to any technology provided by any third party and that Xerox expressly disclaims all liability with respect to Customer’s use of said third party technology.

7. Customer hereby agrees that the following terms (“Terms”) govern Customer’s use of the Xerox® Multi Channel Engagement Platform (“the Platform”), and any “Content” (i.e., data, data files, written text, graphics, messages, photographs, images, videos, compilations, computer software, and other information or materials) or "Applications" (i.e., services, such as, including without limitation software services, messaging services, and other such services that permit different forms of Content to be processed or managed) that are made available from or through the Platform.

Xerox may change these Terms from time to time and modified Terms will become effective immediately upon posting. It is Customer’s responsibility to review any updated Terms regularly. Customer’s continued use of the Platform will constitute Customer’s acknowledgement of, and agreement to be bound by, the currently applicable Terms. If at any time Customer does not agree to the Terms, Customer must stop using the Platform.

A. Permitted Use

i. Xerox grants Customer a limited, non-assignable and nonexclusive right to access and use the Platform for use solely as permitted by these Terms. Customer may not assign, sell, lease, transfer, rent, loan, or sublicense its right to use the Platform, by timesharing, service bureau, networking or any other means, and any attempt to do so shall be null and void. Customer agrees not to access (or assist any third party to access) the Platform by any means other than through the interface and method provided by Xerox.

ii. The Platform is the sole property of Xerox/its licensors and (i) is protected by copyrights, trademarks, service marks, patents and/or other proprietary rights and laws and (ii) its structure, organization and source code constitute valuable trade secrets of Xerox and its licensors and their suppliers. Customer may not (and may not permit any third party to) copy, modify, adapt, translate, change, create a derivative work of, disassemble, reverse engineer, decompile or otherwise attempt to extract the source code from the Platform except as expressly authorized by applicable law.

iii. Customer agrees to comply with all applicable laws, regulations and third-party software terms in using the Platform.

B. Customer’s User Account Information

i. Customer’s user account registration includes provision of Customer’s email address and any other information requested as part of the registration process (“User Account Information”). Customer agrees that Customer’s User Account Information will always be accurate and up to date. As part of Customer’s use of the Platform, information will be collected from Customer including the following: Customer email address, Customer user ID, Customer password, Customer list of submitted Content and the Content itself, the location any types of
printing devices Customer uses, and information about the volume and frequency of
Customer use of the Platform (collectively "User Information"). Customer acknowledges and
agrees that Customer is responsible for maintaining the confidentiality of Customer user ID
and passwords associated with Customer user account. Customer will be responsible to
Xerox for all activities that occur under Customer user accounts including, without limitation,
any activities by any person using Customer account.

ii. Customer authorizes Xerox to use User Information to communicate with Customer
respecting the Platform and agrees that all terms and conditions, agreements, notices,
disclosures, and other communications that Xerox provides to Customer electronically satisfy
any legal requirement that such communications would satisfy if they were in hard copy.

iii. Customer acknowledges and agrees that Xerox may disclose User Information: (i) to affiliates
in the course of developing, providing, managing, administering and improving Xerox’s
products and services; (ii) when Xerox believes, in good faith, that disclosure is necessary to
protect Xerox’s rights, protect Customer safety or the safety of others, investigate fraud, or
respond to a government request; (iii) as required by law; and/or (iv) in the event of a merger,
acquisition or reorganization of Xerox or a relevant portion of its assets, to the acquiring or
surviving entity. For further information please read Xerox’s Privacy Policy at
https://www.xerox.com/about-
xerox/privacy-policy.

C. Customer Content

i. Customer shall be solely responsible for any and all Content submitted to the Platform using
Customer user account. Without limiting the foregoing, Customer represents and warrants
that Customer owns or has the necessary licenses, rights, consents, and permissions under
all patent, trademark, copyright or other proprietary rights (including rights respecting the
name or likeness of each and every such identifiable individual person) in any and all Content
to authorize Xerox to use, display and transmit Content in the manner contemplated by these
Terms.

ii. Customer retains all of Customer ownership and other rights in Content. Customer agrees
that Customer is solely responsible for protecting and enforcing such rights and Xerox has no
obligation to do so on Customer behalf.

iii. By submitting Content to the Platform, Customer hereby grants Xerox and its affiliates a
worldwide, non-exclusive, royalty-free, irrevocable, sublicensable and fully transferable
license to use, reproduce, distribute, modify, prepare derivative works of, publish, display,
and perform Content in any media formats and through any media channels solely as
necessary to conform and adapt the Content to meet technical requirements for the purpose
of providing the Xerox Digital Hub and Cloud Print Services as described in the Schedule.

iv. Xerox is not obligated to evaluate or monitor the Content that Customer or any user of the
Platform submits. Xerox reserves the right at any time in its discretion to limit storage
capacity and to pre-screen, review, refuse, or remove any Content, including any Content
which violates these Terms or applicable law, or is otherwise harmful, objectionable, or
inaccurate.

v. Customer is solely responsible for maintaining the primary copy and any back-up or archive
copy of Content Customer submits. The Platform may permit Customer to store Content
temporarily for printing at a later date. Such temporary storage is not an archival service,
rather it is offered as a convenience for Customer and is not designed or intended to operate
as nor does it constitute a primary or back-up copy of any Content Customer submits. Xerox
does not represent or warrant that any Content Customer submits will be available for printing
or be maintained or stored until printed and will not have any liability or responsibility for the
loss of any Content Customer submits.
D. Customer will not:
   i. Engage in any activity that interferes with, disrupts or attempts to gain unauthorized access to the Platform, any other user account, or servers, networks or products connected to or used to provide the Platform.
   ii. Submit Content or use the Platform to engage in conduct that (i) is unlawful, defamatory, libelous, invasive of another’s privacy, threatening, tortious, abusive, harassing, hateful, racially or ethnically offensive, pornographic, deceptive, misleading, fraudulent, obscene or otherwise objectionable; (ii) infringes, misappropriates or misuses any patent, trademark, trade secret, copyright, right of publicity, or other proprietary right of any party; or (iii) contains software viruses or any other computer code, files or programs that are designed or intended to disrupt, damage or limit the functioning of any software, hardware, or telecommunications equipment or to damage or obtain unauthorized access to any data or other information of Xerox or any third party.
   iii. Use the Platform (i) to export Content or any other software or data in violation of applicable laws including U.S. laws; (ii) to plan or carry out any illegal activity; or (iii) in any other manner that violates any applicable local, state, national, foreign, or international law.
   iv. Remove, obscure or alter any proprietary rights notices (including copyright and trademark notices) which may be affixed to or contained within the Platform.

E. Platform Availability
   i. Customer acknowledges that Xerox may suspend or stop Customer access to or use of the Platform at any time without prior notice to Customer in the event of Customer’s failure to comply with these Terms, in Xerox’s complete discretion.

F. Data Administration
   i. Customer User Information may be transmitted, stored and processed in the United States or any other country in which Xerox/its affiliates maintain facilities.
   ii. For the purpose of developing, providing, operating, maintaining and/or improving Xerox’s products and services, associated functionality and the customer experience, Customer acknowledges and agrees that Xerox may use Customer User Information and cookies, embedded links and other commonly used data gathering tools to collect, store, compile, analyze, copy, publish, display and distribute, statistical data, trends and usage information respecting use of the Platform by Customer and other user accounts.

G. Warranty Disclaimer.
   i. The Platform is provided “AS IS”, “AS AVAILABLE”, and without warranty of any kind (except as may be expressly agreed to in a signed writing by Xerox), including any warranty of performance in an error-free or uninterrupted manner, completeness, or adequacy for any purpose. Xerox makes no representation that the Platform (i) will meet Customer requirements or expectations or be uninterrupted, secure or free from mistakes, errors, viruses or defects; or (ii) will be compatible with Content.
   ii. Customer’s use of or reliance on the Platform and is voluntary, at Customer’s sole risk, and should only be undertaken following Customer’s independent assessment of same for Customer purposes. Customer further acknowledges that Xerox has no control over third party networks Customer may access in the course of the use of the Platform, including delays and disruption of such network transmissions.
   iii. Unless expressly agreed to by Xerox in writing, Xerox shall have no obligation to (i) provide any maintenance, technical support, modifications, updates, upgrades, improvements or enhancements to the Platform; or (ii) back-up or correct any defects in any Content or user account information.
iv. XEROX DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT AND OF FITNESS FOR A PARTICULAR PURPOSE.

H. Indemnity and Release

i. Customer agrees to indemnify and hold harmless Xerox and its affiliates from any and all claims, liabilities, damages, costs and expenses, including reasonable attorneys’ fees, arising in any way by or through the use of Customer account and (i) access to or use of the Platform, (ii) breach of these Terms, (iii) violation of any third party right, including without limitation intellectual property, property or personal right; or (iv) violation of applicable law. Customer shall, at Xerox’s option and Customer’s sole expense, intervene in or defend any such proceedings upon notice from Xerox.

I. Representation & Acknowledgement

i. Customer acknowledges that except for the limited right to use the Platform under these Terms, Customer has no right to use any intellectual property of Xerox, including trade names, trademarks, service marks, logos, domain names, or other distinctive brand features.

In the event of a conflict between the Agreement, this Addendum, any Exhibits attached hereto and any Order, the order of precedence shall be the Agreement, then this Addendum, then the Order, then Statement of Work, then the DHCPS Schedule.

This Amendment 2 ("Amendment") amends the Master Price Agreement ("Master Price Agreement"), contract number MHEC-05012018, between Midwestern Higher Education Compact ("Customer" or "MHEC") and Xerox Corporation ("Xerox").

The parties agree that the Master Agreement is modified as described below:

1. Section 3(b)(i), Order Documents shall be deleted in its entirety and replaced with the following:

   "(i) Orders for Services, Maintenance Services, and/or Products are grouped into Services Contracts. Each separate Services Contract will be established when the first Order is placed that bears a new Services Contract number assigned by Xerox and Xerox accepts that Order. Each Services Contract will be assigned its own Services Contract number that will consist of the Services Master Agreement number followed by a three-digit extension. Each Services Contract constitutes a separate contract under this Agreement. Customer may add Services, Maintenance Services or Products to an existing Services Contract by submitting additional Orders referencing the applicable Services Contract number. Each Services Contract will consist of the terms and conditions of this Agreement, the first Order under the Services Contract number and each additional Order with the same Services Contract number."

2. Section 3(c)(i), Order Documents, shall be deleted in its entirety and replaced with the following:

The Midwestern Higher Education Compact (Compact) is an interstate compact of twelve Midwestern states; and the Midwestern Higher Education Commission (MHEC), a nonprofit 501(c)(3), is a statutorily created governing body of the Compact established for the purposes, in part, of determining, negotiating and making available quality and affordable services for the member states of the Compact, the entities in those member states, and the citizens residing in those member states.

MHEC has established a Technology Initiative for the purpose of which is to determine, negotiate and make available quality and affordable technology products and services to the not-for-profit and public education related entities in the Compact member states.

MHEC has entered into separate agreements with the New England Board of Higher Education (NEBHE), the Southern Regional Education Board (SREB) and the Western Interstate Commission for Higher Education (WICHE) respectively to allow entities to in the SREB member states and the WICHE member states access to MHEC’s Technology Initiative contracts, including this Master Price Agreement.

In March 2016, The Midwestern Higher Education Compact (MHEC) through its Data Management Subcommittee of its Technologies Committee competitively solicited proposals on behalf of MHEC (“Request for Proposal” or “RFP”). The purpose of the RFP was to establish one or more MHEC Master Price Agreement(s) with qualified vendor(s) for Higher Education Information Technology Solutions (HEITS) for Data (document) Management Needs in accordance with the specifications of the RFP.

Upon completion of the competitive process an award was made to Xerox for the provision of a wide range of technology related data management products and services to all eligible organizations in the twelve (12) Midwestern state region of the Compact as well as to all eligible organizations in the NEBHE member states, the SREB member states and all eligible organizations in the WICHE member states.

Xerox is not relieved of any liability or obligations assumed pursuant to this Agreement by reason of its failure to obtain or maintain insurance in sufficient amounts, duration or types.

20. WARRANTIES

a. Mutual Warranties. Each party (Xerox, MHEC, or Customer) represents and warrants to the other, as an essential part of this Agreement, that it is duly organized and validly existing and in good standing under the laws of the state or country of its incorporation or formation;

   (i) this Agreement and the IAs or Orders hereunder have been duly authorized by all appropriate corporate action for signature; and

   (ii) the individual signing this Agreement, and all IAs or Orders (where applicable), is duly authorized to do so.

b. Equipment Warranty. Any Equipment warranty to which Customer is entitled shall commence upon the Date of Installation. Use by Customer of consumables not approved by Xerox that affect the performance of the Equipment may invalidate any applicable warranty.

21. PROTECTION OF XEROX’S RIGHTS. Customer hereby authorizes Xerox or its agents to file, by any permissible means, financing statements necessary to protect Xerox’s rights as lessor of the Equipment for leased Equipment or Xerox’s purchase money security interest in purchased Equipment. Until Customer has paid in full under an IA or Order or pursuant to the purchase option under an IA or Order, Equipment will remain personal property and Customer will not, with respect to the Equipment: (a) attach it as a fixture to real estate; (b) pledge, sublease or part with possession of it; (c) file or permit to be filed any lien against it; or (d) make any permanent alterations to it. Customer will promptly notify Xerox if Customer relocates its principal place of business or changes the name of its business.

22. INTELLECTUAL PROPERTY INDEMNITY.

Xerox will indemnify, defend and hold MHEC and Customer harmless from a claim that Xerox’s Product or Service infringes on another person’s or company’s patent, copyright, trade secret or any other proprietary right of a third party. Xerox will have no obligation under this section with respect to any claim of infringement resulting from an unauthorized modification of a Product by MHEC or Customer or from any combination, operation, or use of the Products with systems other than those provided by Xerox to the extent that such a claim is caused by such combination, operation, or use of the Products. Following notice of a claim or threat of actual suit, Xerox will, at its own expense and option, (1) resolve the claim in a way that permits continued ownership and use of the affected Product; (2) provide a comparable replacement at no cost; or (3) accept return of the Product, freight collect, and provide a reasonable depreciated refund. To avoid infringement, Xerox may modify or substitute an equivalent Xerox-brand Product and, if purchased, refund the price paid for the Xerox-brand Product, less a reasonable lease value for the period it was available to Customer, or obtain any necessary licenses. Xerox is not liable for any infringement based upon a Xerox-brand Product being modified to Customer’s specifications, or being used or sold with products not provided by Xerox. For non-Xerox-brand Products ordered under the Agreement, when Customer does not have a direct Intellectual Property Indemnity for the non-Xerox brand Product and Xerox does have an Intellectual Property indemnity for such non-Xerox brand Products and is contractually permitted to do so, Xerox will pass its Intellectual Property Indemnity for such Product through to Customer.

23. INDEMNIFICATION. Xerox will indemnify, defend, protect, save and hold harmless MHEC and Customers, as well as the representatives, agents and employees of MHEC and Customers, from any and all claims or causes of action related to a claim of personal injury or damage to property, including all attorneys’ fees incurred by MHEC and/or Customers, arising from the performance of this Agreement by Xerox, Xerox’s agents, employees, or subcontractors. MHEC and/or Customer shall give Xerox written notice, by registered mail, promptly after it becomes aware of any claim to be indemnified hereunder, and, subject to any legally required approval, including approval of a state’s attorney.
general, or consistent with applicable law, permits Xerox to control the defense of any such claim or action at Xerox’s own defense. MHEC and/or Customer agree that Xerox may employ attorneys of its own choice to appear and defend the claim or action and that MHEC and/or Customer shall do nothing to compromise the defense of such claim or action or any settlement thereof and shall provide Xerox with all reasonable assistance which Xerox may require. Xerox is not responsible for any non-Xerox litigation expenses or settlements unless Xerox pre-approves them in writing.

24. LIMITATION OF LIABILITY. Except for personal injury (including death), property damage, or intellectual property indemnity indemnification obligations or other indemnification obligations set forth in the Agreement, Xerox will not be liable to Customer for any direct damages relating to the Agreement, any IA, or any Order written hereunder in excess of the sum of the amounts paid and to be paid during the initial Term of the applicable IA or Order. Neither party will be liable to the other for any special, indirect, incidental, consequential or punitive damages arising out of or relating to the Agreement, any IA, or any Order written hereunder, whether the claim alleges tortious conduct (including negligence) or any other legal theory.

25. ASSIGNMENT. Except for assignment to a Xerox parent, subsidiary, or affiliate of Xerox, or to securitize the Contract as part of a financing transaction ("Permitted Assignment"), neither party will assign any of its rights or obligations under the Contract without prior written consent of the other party. In the event of a Permitted Assignment: (i) Customer will remit all payments to Xerox; (ii) Xerox may, without Customer’s prior written consent, release to a proposed assignee information Xerox has about Customer related to the Contract; (iii) the assignee will have all of the rights but none of Xerox’s obligations under the Contract; (iv) Customer will continue to look to Xerox for performance of Xerox’s obligations under the Contract; (v) Customer waives and releases the assignee from any claims relating to or arising from the performance of Xerox’s obligations hereunder; and (v) Customer will not assert any defense, counterclaim, or setoff Customer may have against an assignee.

26. NOTICES.

a. Except as provided elsewhere in this Agreement, all notices issued hereunder must be in writing and will be deemed given five (5) days after mailing, or two (2) days after sending by nationally recognized overnight courier. Invoices are not considered notices under this Agreement and are governed by provisions relating specifically thereto.

b. Except as set forth in c. below, notices shall be sent to Customer’s or Xerox’s business address, or to such other address designated by either party to the other by written notice given pursuant to this sentence. The term "business address" shall mean, for Customer, the "Bill to" address set forth in an IA or Order and, for Xerox, the inquiry address set forth on the most recent invoice to Customer for the subject IA or Order.

c. As between Xerox and MHEC, notices shall be sent to a party at the address specified, in a particular Section of this Agreement or, if there is no such address specified, to the following address for such party.

27. FORCE MAJEURE. No party (Xerox, MHEC, nor Customer) shall be liable to another party during any period in which its performance is delayed or prevented, in whole or in part, by a circumstance beyond its reasonable control, which circumstances include, but are not limited to, the following: act of God (e.g., flood, earthquake, wind); fire; war; act of a public enemy or terrorist; act of sabotage; strike or other labor dispute; riot; misadventure of the sea; inability to secure materials and / or transportation; or, a restriction imposed by legislation, or by an order, rule or regulation of any governmental entity. If such a circumstance occurs, the applicable party shall undertake reasonable action to notify the other party of same.

Additionally, in the event of a condition of Force Majeure where Xerox is unable to perform for 30 or more calendar days, the Customer will extend the original term of the IA or Order for provision of both payment and services for a period of time equal to that of the Force Majeure and extend the original IA or Order date for a time equal to the Force Majeure without additional changes. Note: The Customer may cancel an IA or Order for maintenance, without penalty, if the condition of Force Majeure is not resolved within thirty (30) days.

28. CONSUMABLE SUPPLIES INCLUDED IN BASE/PRINT CHARGES

If “Consumable Supplies” is identified in Maintenance Plan features, Maintenance Services will include black toner and/or solid ink and color toner and/or solid ink, if applicable (“Consumable Supplies”). Depending on the Equipment model, Consumable Supplies may also include developer, fuser agent, imaging units, waste cartridges, transfer rolls, transfer belts, transfer units, belt cleaner, maintenance kits, print Cartridges, drum Cartridges, waste trays and cleaning kits. Consumable Supplies specifically excludes highlight color toner, custom color toner, specialty dry inks (e.g. clear,
silver, gold), and specialty dry ink developers. Consumable Supplies are Xerox's property until used by Customer, and Customer will use Consumable Supplies only with the Equipment for which "Consumable Supplies" is included in the Maintenance Plan. If recycling information is furnished with Consumable Supplies, Customer agrees to return the used item, at Xerox's expense, for remanufacturing. Shipping information is available at Xerox.com/GWA. Upon the IA or Order expiration, Customer will include any unused Consumable Supplies with the Equipment for return to Xerox at the time of removal. If Customer's use of Consumable Supplies exceeds Xerox's published yield by more than 10%, Xerox will notify Customer of such excess usage. If such excess usage does not cease within 30-days after such notice, Xerox may charge Customer for such excess usage. For the avoidance of doubt, Xerox's yields are based on prints, impressions, linear feet, or copies containing the normal mix of test and graphics to determine the expected yield of Consumable Supplies under normal operating conditions. Upon request, Customer will provide current meter reads and/or an inventory of Consumable Supplies in its possession.

29. Relocation. Until Customer has paid for the Equipment in full for an IA or Order, or exercised its purchase option for the Equipment subject to an IA or Order and has paid Xerox the full amount due therefore and has received title thereto, Customer agrees that:

(a) Equipment shall remain personal property;
(b) Customer will not attach any of the Equipment as a fixture to any real estate;
(c) Customer will not pledge, sub-lease or part with possession of the Equipment or file or permit to be filed any lien against the Equipment; and,
(d) Customer will not make any permanent alterations to the Equipment.

Customer must provide Xerox prior written notice of all Equipment relocations and, upon Customer's request, Xerox may arrange to relocate the Equipment at Customer's expense. While subject to an IA or Order, all Equipment relocations must be arranged (or approved in advance) by Xerox and shall be at Customer's expense. While Equipment is being relocated, Customer remains responsible to make all payments required under the applicable IA or Order to Xerox. Xerox will make its best efforts to expedite the relocation if the Equipment relocation is being arranged by Xerox. For Products subject to an IA or an Order, Customer must comply with all applicable laws and regulations regarding the export of any commodity, technology and/or software. All parts/materials replaced, including as part of an upgrade will become Xerox's property. Equipment cannot be relocated outside of the United States, it's territories or possessions until Customer has paid in full for the Equipment and has received title thereto.

30. REMOTE SERVICES. Certain models of Equipment are supported and serviced using data that is automatically collected by Xerox or transmitted to or from Xerox by Equipment connected to Customer's network ("Remote Data") via electronic transmission to a secure off-site location ("Remote Data Access"). Remote Data Access also enables Xerox to transmit to the Customer Maintenance Releases or Updates for software or firmware and to remotely diagnose and modify Equipment to repair or correct malfunctions. Examples of Remote Data include product registration, meter read, supply level, Equipment configuration and settings, software version, and problem/fault code data. Remote Data will be transmitted to and from Customer in a secure manner specified by Xerox. Remote Data Access will not allow Xerox to read, view or download any Customer data, documents or other information residing on or passing through the Equipment, Third Party Hardware or Customer's information management systems. Customer grants the right to Xerox, without charge, to establish and maintain Remote Data Access for the purposes described above. Xerox will use Remote Data only for the purpose of fulfilling its duties under this Agreement or Order or IA under this Agreement. Upon Xerox's request, Customer will provide contact information for Equipment such as name and address of Customer contact and IP and physical address/locations of Equipment. Customer will enable Remote Data Access via a method prescribed by Xerox and Customer will provide Xerox with reasonable assistance to allow Xerox to have Remote Data Access. Unless Xerox deems Equipment incapable of Remote Data Access, Customer will ensure that Remote Data Access is maintained at all times. Maintenance Services are being performed. Xerox may automatically collect certain data used by Xerox or a designated servicer to support and service the Equipment, or for Xerox billing, supplies replenishment or product improvement purposes.

31. DATA SECURITY. Certain models of Equipment can be configured to include a variety of data security features. There may be an additional cost associated with certain data security features. The selection, suitability, and use of data security features are solely Customer's responsibility. Upon request, Xerox will provide additional information to Customer regarding the security features available for particular Equipment models.

32. SOFTWARE LICENSE. The following terms apply to copyrighted software and the accompanying documentation, including, but not limited to, operating system software, provided with or within the Xerox brand Equipment acquired hereunder ("Base Software"). This license does not apply to any Diagnostic Software or to any software documentation accompanied by a clickwrap or shrinkwrap license agreement or otherwise made subject to a separate license agreement.

(i) Xerox grants Customer a non-exclusive, non-transferable license to use the Base Software within the United States, its territories, and possessions (the "United States") only on or with the Equipment with which (or within which) it was delivered. Customer has no other rights to the Base Software and, in particular, may not: (1) distribute, copy, modify, create derivatives of, decompile, or reverse engineer this software; (2) activate any software delivered with or within the Equipment in an un-activated state; or, (3) allows others to engage in
same. Title to the Base Software and all copyrights and other intellectual property rights in it shall at all times reside solely with Xerox and/or its licensors (who shall be considered third-party beneficiaries of this Agreement’s software and limitation of liability provisions). Base Software may contain, or be modified to contain, computer code capable of automatically disabling proper operation or functioning of the Equipment. Such disabling code may be activated if: (a) Xerox is denied reasonable access to the Base Software to periodically reset such code; (b) Customer has defaulted under an IA or an Order hereunder; or, (c) such license is terminated or expires. Notwithstanding the foregoing, customer by purchasing the Equipment has the right to utilize the software but Xerox has no obligation to maintain the software if the customer does not purchase a maintenance agreement.

(ii) Xerox may terminate Customer's license for any Base Software (1) immediately if Customer no longer uses or possesses the Equipment or are a lessor of the Equipment and Customer's first lessee no longer uses or possesses it, or (2) upon the termination of any IA or any Order under which Customer has installament-purchased or leased the Equipment.

(iii) If Customer transfers possession of the Equipment after Customer obtains title to it, Xerox will offer the transferee a license to use the Base Software within the United States on or with it, subject to Xerox's then-applicable terms and license fees, if any, and provided the transfer is not in violation of Xerox's rights.

(iv) Xerox warrants that the Base Software will perform in material conformity with its user documentation for a ninety (90) day period from the date it is delivered or, for software installed by Xerox, the date of software installation. Neither Xerox nor its licensors warrant that the Base Software will be free from errors or that its operation will be uninterrupted.

(v) Notwithstanding anything to the contrary set forth in this Agreement, if Customer enters an IA or Order for maintenance for Equipment, such IA or Order does not include a license for Base Software. If Customer does not have a license for Base Software for Equipment, Customer may enter a separate license agreement with Xerox for such Base Software.

33. SOFTWARE SUPPORT. During the period that Xerox (or a designated servicer) provides Maintenance Services for the Equipment but in no event less than five (5) years after Xerox stops taking orders from customers for the subject model of Equipment, Xerox (or a designated servicer) will also provide software support for the Base Software under the following terms.

(i) Xerox will assure that Base Software performs in material conformity with its user documentation and will maintain a toll-free hotline during Xerox's standard working hours to answer related questions.

(ii) Xerox may make available new releases of the Base Software that primarily incorporate coding error fixes and are designated as "Maintenance Releases". Maintenance Releases are provided at no charge and must be implemented within six (6) months after being made available to Customer. Each new Maintenance Release shall be considered Base Software governed by the Software License and Software Support provisions of this Agreement. New releases of the Base Software that are not Maintenance Releases, if any, may be subject to additional license fees at Xerox's then current pricing and shall be considered Base Software governed by the Software License and Software Support provisions of this Agreement (unless otherwise noted). Xerox will not be in breach of its software support obligations hereunder if, in order to implement, in whole or in part, a new release of Base Software provided or made available by Xerox, Customer must procure, at its expense, additional hardware and/or software from Xerox or any other entity. Customer agrees to return or destroy all prior releases insofar as is practicable.

(iii) Xerox will use reasonable efforts, either directly and/or with its vendors, to resolve coding errors or provide workarounds or patches, provided Customer reports problems as specified by Xerox.

(iv) Xerox shall not be obligated (1) to support any Base Software that is two or more releases older than Xerox's most current release, or (2) to remedy coding errors if Customer has modified the Base Software.

34. THIRD PARTY SOFTWARE. Third Party Software is subject to license and support terms provided by the applicable Third Party Software vendor.

35. DIAGNOSTIC SOFTWARE. Software used to maintain the Equipment and/or diagnose its failures or substandard performance (collectively, "Diagnostic Software") is embedded in, resides on, or may be loaded onto the Equipment. The Diagnostic Software and method of entry or access to it constitute valuable trade secrets of Xerox. Title to the Diagnostic Software shall at all times remain solely with Xerox and/or Xerox's licensors. Customer agrees that (1) Customer's acquisition of the Equipment does not grant Customer a license or right to use the Diagnostic Software in any manner, and, (2) that unless separately licensed by Xerox to do so, Customer will not use, reproduce, distribute, or disclose the Diagnostic Software for any purpose (or allow third parties to do so). Customer agrees at all times (including subsequent to the termination or expiration of this Agreement, an IA or an Order) hereunder to allow Xerox to access, monitor, and otherwise take steps to prevent unauthorized use or reproduction of the Diagnostic Software.

36. TRADE-IN EQUIPMENT. If Customer is providing equipment ("Trade-In Equipment") to Xerox under an IA or an Order, the following shall apply:

   a. TITLE TRANSFER. Customer warrants that Customer has the right to transfer title to the Trade-In Equipment and that it has been installed and performing its intended function. Title and risk of loss to the Trade-In Equipment shall pass to Xerox when Xerox removes it from Customer's premises.
b. **CONDITION.** Customer warrants that the Trade-In Equipment is in good working order, has not been modified from its original configuration (other than by Xerox), and has a UL label attached. Customer agrees to maintain the Trade-In Equipment at its present site and in substantially its present condition until removed by Xerox.

c. **ACCRUED CHARGES.** Customer agrees to pay all accrued charges for the Trade-In Equipment (up to and including payment of the final principal payment number) and to pay all maintenance, administrative, supply and finance charges for this equipment through the date title passes to Xerox.

37. **GOVERNMENT CUSTOMER TERMS:** The following additional terms apply only to transactions with State and Local Government Customers, which includes State Agencies and Institutions, Government-Owned Colleges and Universities, Cities and Counties, and Public K-12. Private not for profit organizations are not eligible for these "Government Customer Terms".

a. **REPRESENTATIONS & WARRANTIES, FUNDING, TAX TREATMENT & PAYMENTS:**

(i) **REPRESENTATIONS & WARRANTIES.** Customer hereby represents and warrants, as of the date of this Agreement, that: (1) Customer is a State or a fully constituted political subdivision or agency of the State in which Customer is located and are authorized to enter into, and carry out, Customer's obligations under this Agreement or an IA or an Order hereunder and any other documents required to be delivered in connection with the Agreement or an IA or an Order hereunder (collectively, the "Documents"); (2) the Documents have been duly authorized, executed and delivered by Customer in accordance with all applicable laws, rules, ordinances and regulations (including, but not limited to, all applicable laws governing open meetings, public bidding and appropriations required in connection with this Agreement or an IA or an Order hereunder and the acquisition of the Products) and are valid, legal, binding agreements, enforceable in accordance with their terms and the person(s) signing the Documents have the authority to do so; are acting with the full authorization of Customer's governing body and hold the offices indicated below their signatures, each of which are genuine; (3) the Products are essential to the immediate performance of a governmental or proprietary function by Customer within the scope of Customer's authority and shall be used during the IA or Order term only by Customer and only to perform such function; and, (4) Customer's obligations to remit payments under this Agreement or an IA or an Order hereunder constitute a current expense and not a debt under applicable state law and no provision of this Agreement constitutes a pledge of Customer's tax or general revenues and any provision that is so construed by a court of competent jurisdiction is void from the inception of this Agreement or an IA or an Order hereunder.

(ii) **FUNDING.** Customer represents and warrants that all payments due and to become due during Customer's current fiscal year are within the fiscal budget of such year and are included within an unrestricted and unencumbered appropriation currently available for the lease/purchase of the Product, and that it is Customer's intent to use the Products for the entire lease term and to make all payments required under this Agreement or an IA or an Order hereunder. In the event that (1) through no action initiated by Customer, Customer's legislative body does not appropriate funds for the continuation of this Agreement or an IA or an Order hereunder for any fiscal year after the first fiscal year and has no funds to do so from other sources, and (2) Customer has made a reasonable but unsuccessful effort to find a creditworthy assignee acceptable to Xerox in its sole discretion within Customer's general organization who can continue this Agreement or an IA or an Order hereunder, this Agreement or an IA or an Order hereunder may be terminated. To effect this termination, Customer shall, thirty (30) days prior to the beginning of the fiscal year for which Customer's legislative body does not appropriate funds for such upcoming fiscal year, if possible, send Xerox written notice stating that Customer's legislative body failed to appropriate funds and that Customer has made the required effort to find an assignee. Customer's notice must be accompanied by payment of all sums then owed through the current year to Xerox under this Agreement or an IA or an Order hereunder and must certify that canceled Equipment is not being replaced by equipment performing similar functions during the ensuing fiscal year. In addition, Customer agrees at Customer's expense to return the Equipment in good condition to a location designated by Xerox and that, when returned, the Equipment will be free of all liens and encumbrances. Customer will then be released from Customer's obligations to make any further payments to Xerox beyond those due for the current fiscal year (with Xerox retaining all sums paid to date).

(iii) **TAX TREATMENT** (Applicable to installment purchase and bargain purchase leases. Does not apply to fair market value leases). This Agreement or an IA hereunder has been accepted on the basis of Customer's representation that Xerox may claim any interest paid by Customer as exempt from federal income tax under Section 103(c) of the Code. Customer agrees not to limit, to the execution of 8038-G or 8038-GC Information Returns. Customer hereby appoints Xerox as Customer's agent to maintain, and Xerox agrees to maintain, or cause to
be maintained, a complete and accurate record of all assignments of this Agreement or an IA hereunder in form sufficient to comply with the book entry requirements of Section 149(a) of the Code and the regulations prescribed thereunder from time to time. Should Xerox lose the benefit of this exemption as a result of Customer's failure to comply with or be covered by Section 103(c) or its regulations, then, subject to the availability of funds and upon demand by Xerox, Customer shall pay Xerox an amount equal to its loss in this regard. At the time of execution of this agreement, Customer shall provide Xerox with a properly prepared and executed copy of US Treasury Form 8038 or 8038-GC.

38. LEASE AGREEMENTS. Lease agreement terms and conditions may be negotiated by individual Customers as may be required in a separate contract in accordance with the Customer's procurement laws, rules, regulations, policies and guidelines. In the event of any conflict between a separate lease agreement negotiated between Customer and Xerox and this Agreement, the terms and conditions of the negotiated lease agreement shall apply.

39. ORDER OF PRECEDENCE. Where the terms and conditions of this Agreement, Services Master Agreement or Managed Services Agreement are in conflict with a Customer's state and/or institutional laws or regulations, the Customer and Xerox may enter into an addendum to amend the terms and conditions of this Agreement, Services Master Agreement or Managed Services Agreement to conform to the Customer's state and/or institutional laws or regulations. The terms and conditions of the addendum shall only be applicable between the Customer that entered into the addendum and Xerox.

In the event of any conflict among the documents below, the following order of precedence shall apply:

a. the applicable Service Master Agreement or Managed Services Agreement as executed between Customer and Xerox or executed addendum to an IA or Order between Customer and Xerox;

b. the terms and conditions of this Agreement;

c. Articles to this Agreement;

d. Exhibits to this Agreement

40. AMENDMENT. Except as otherwise provided in this Agreement, all changes to this Agreement must be made in writing and signed by both parties. The amendment, cancellation, or termination of this Agreement shall not affect the obligations of either Xerox or Customer under any then-existing IA(s) or Order(s) issued under this Agreement, which shall continue in effect.

41. REPRESENTATIONS, WARRANTIES & COVENANTS. Each party represents that, as of the date of this Agreement, it has the lawful power and authority to enter into this Agreement, the individuals signing this agreement are duly authorized to do so on its behalf and by entering this Agreement hereunder, it will not violate any law or other agreement to which it is a party. Customer is not aware of anything that will have a material negative effect on its ability to satisfy Customer's payment obligations under this Agreement and, to the best of Customer's understanding, all financial information Customer has provided, or will provide, to Xerox is true and accurate and provides a good representation of Customer's financial condition. Each party agrees that it will promptly notify the other party in writing of a change in ownership, or if it relocates its principal place of business or changes the name of its business.

42. THIRD PARTY PRODUCTS. To the extent you obtain third party products from Xerox through this Agreement or an IA or an Order under this Agreement, Xerox represents and warrants that it has obtained the appropriate rights necessary to be able to provide to Customer all third party products it makes available under this Agreement. To the extent any third party products provided through Xerox have warranties not issued directly to Customer, Xerox hereby assigns all such warranties to Customer and agrees to cooperate with Customer in enforcing such warranties.

43. MHEC NOT LIABLE FOR CUSTOMERS. MHEC is not liable to Xerox for any representation made or not made by any Customer, or for the failure of any Customer to make any payment or to otherwise fully perform pursuant to the terms and conditions of an IA or an Order and/or this Agreement.

44. MHEC NOT LIABLE FOR XEROX. Notwithstanding anything to the contrary contained in this Agreement, an IA or an Order under this Agreement, in no event shall MHEC have any liability to Customer (i) under, relating to, or arising out of this Agreement, an IA or an Order under this Agreement, or (ii) for the actions of any Eligible Organization or Xerox, including for any breach by Customer, any other Eligible Organization, or Xerox of this Agreement IA or Order under this Agreement.

45. ANNOUNCEMENTS AND PUBLICITY. Any announcements and publicity given to MHEC or Customer resulting from this Agreement must receive the prior approval of MHEC or Customer respectively. Xerox will not make any representations of MHEC's or Customer's opinion or position as to the quality of effectiveness of the products, supplies and/or services that are the subject of this Agreement without the prior written consent of MHEC or Customer.
46. **MARKETING.** Xerox will assist MHEC in developing and implementing appropriate marketing strategies including seminars, printed materials and full service, on-line MHEC web site to receive information on products, supplies, services and prices and to place orders.

47. **RECORDS.** Xerox agrees to maintain detailed records pertaining to the price of services rendered and products delivered for a period of three (3) years from the date of acceptance of each IA or an Order or the time required by law, whichever is later. These records shall be subject to inspection by the Customer and appropriate governmental authorities with Customer's state. The Customer shall have the right to audit billings either before or after payment. Payment under this Agreement shall not foreclose the right of Customer to recover excessive or illegal payments.

48. **INDEPENDENT CONTRACTORS.** Xerox and its agents and employees are independent contractors and are not employees of MHEC or any Customer. Xerox has no authorization, express or implied to bind MHEC or any Customer to any agreements, settlements, liability or understanding whatsoever, and agrees not to perform any acts as agent of MHEC or any Customer, except as expressly set forth herein. Nothing in this Agreement is intended, or shall be deemed, or construed to constitute a partnership or a joint venture between the parties.

49. **EQUAL OPPORTUNITY AND NONDISCRIMINATION.** In connection with the furnishing of products or services under this Agreement, Xerox and all subcontractors agree not to discriminate against any recipient of products, services, or employees or applicants for employment on the basis of race, color, religion, national origin, sex, age, disability or veteran status. Xerox shall comply with federal laws, rules and regulations applicable to subcontractors of government contracts including those relating to equal employment of minorities, women, persons with disabilities, and certain veterans. Contract clauses required by the United States Government in such circumstances are incorporated herein by reference.

50. **SOVEREIGN IMMUNITY.** Notwithstanding anything to the contrary in this Agreement, IA, or Order under this Agreement, this Agreement shall not be construed to deprive a Customer of its sovereign immunity, or of any legal requirements, prohibitions, protections, exclusions or limitations of liability applying to this Agreement or afforded by Customer's State law to the Customer.

51. **ADMINISTRATIVE REPORTING AND FEES.**
   a. On a quarterly basis, Xerox will make available to MHEC reports and information generated by this Agreement, including institution-by-institution information on sales volume and volume savings. The quarters shall commence in July, October, January and April. These quarterly reports shall be submitted to MHEC within 30 days of the end of the quarter. Notwithstanding the foregoing, Xerox will provide fee reporting for any Product (including Equipment, Software, and supplies) or Service ordered under an IA or an Order. This reporting will not include a list price since payment of the fee is based upon the monthly/quarterly billing of the IA or Order which includes any applicable meter/printer charges and not the upfront value of the Equipment. In addition, Xerox Services include highly customized solutions for each customer which does not have a specific list price. Thus, Xerox will not be able to calculate a "$\% Discount" and "$\% Savings" value for the quarterly report. Currently Xerox does not have access to the data required to provide quarterly reports for IPEDS ID, NCES District ID, and NCES School ID.
   b. Xerox shall pay MHEC an administrative fee ("Fee") of 0.5% covering the total sales of the previous quarter within 30 days of the end of each quarter. Unless otherwise agreed between the parties, Fees shall be remitted to MHEC via check to the address included in the Notices section of this Agreement. The quarters for such earned fees shall commence in July, October, January and April of each calendar year.

52. **MISCELLANEOUS.**
   a. As between Customer and Xerox this Agreement and any IA or Order hereunder shall be construed under the laws of the state in which the Customer resides (without regard to conflict-of-law principles). Customer and Xerox agree to the jurisdiction and venue in a federal or state court with competent jurisdiction located in the state in which the Customer resides. If a court finds any term of this Agreement or any IA or Order hereunder to be unenforceable, the remaining terms of this Agreement or such IA or Order, as the case may be, shall remain in effect. As between MHEC and Xerox, this Agreement will be construed in accordance with, and its performance governed by the laws of the State of Minnesota. MHEC and Xerox agree to the jurisdiction and venue in a federal or state court with competent jurisdiction located in the State of Minnesota.
   b. Xerox, MHEC and Customer may retain a hardcopy, electronic image, photocopy or facsimile of this Agreement and each IA or Order hereunder, which shall be considered an original and shall be admissible in any action to enforce said Agreement or IA or Order. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall be deemed to be one and the same instruction. In addition, all parties may retain a reproduction of each IA or Order hereunder which shall be admissible in any action to enforce said IA or Order, but only the IA or Order held by Xerox shall be considered an original.
   c. Xerox may accept this Agreement or any IA or Order hereunder either by its signature or by commencing performance (e.g., Equipment delivery, initiating Document Services, etc.).
   d. The following four sentences control over every other part of this Agreement and any IA or Order entered hereunder and over all other documents now or later pertaining to this Agreement or such IA or Order. Customer and Xerox both intend to comply with applicable laws. In no event will Xerox charge or collect any

Article I – Purchase and Installment Purchase Terms

Customer's acquisition of Equipment via a cash or installment purchase hereunder shall be governed by the terms and conditions contained in the Agreement, this Article I, the Maintenance Services contained in Article II if applicable, and the prices set forth on the attached Pricing Exhibit(s).

1. **Purchase Order Taking Term.** Customer can acquire additional Equipment as set forth in the attached Pricing Exhibit for 12-months following the effective date of the Agreement. At the end of each twelve (12) month period, Xerox reserves the right to increase such purchase prices for which Customer then is eligible.

2. **Cash Purchase.**
   a) **Title and Risk.** Title and risk of loss to purchased Equipment will pass to Customer upon delivery. Until the Products are paid for in full Customer will insure the Product against loss or damage, and the policy will name Xerox as a loss payee.
   b) **Payment.** Customer’s payment under a Purchase IA shall consist of the Net Price amount for the Equipment purchased there under and all applicable Taxes.
   c) **Customer Default & Remedies.** If Customer defaults under the Agreement or applicable IA, Xerox, in addition to its other remedies (including the cessation of Maintenance Services if applicable), may require immediate payment of all amounts then due (including all applicable Taxes), plus interest on all amounts due from the due date until paid as allowed under Customer state law or at the rate of one and one-half percent (1.5%) per month (not to exceed the maximum amount permitted by law).

3. **Installment Purchase.**
   a) **Non-Cancelable Agreement.** INSTALLMENT IAS CANNOT BE CANCELED OR TERMINATED EXCEPT AS EXPRESSLY PROVIDED HEREIN. CUSTOMER'S OBLIGATION TO MAKE ALL PAYMENTS, AND TO PAY ANY OTHER AMOUNTS DUE OR TO BECOME DUE, IS ABSOLUTE AND UNCONDITIONAL AND NOT SUBJECT TO DELAY, REDUCTION, SET-OFF, DEFENSE, COUNTERCLAIM OR RECPROUCTION FOR ANY REASON WHATSOEVER, IRRESPECTIVE OF XEROX'S PERFORMANCE OF ITS OBLIGATIONS HEREUNDER. ANY CLAIM AGAINST XEROX MUST BE ASSERTED IN A SEPARATE ACTION AND SOLELY AGAINST XEROX.
   b) **Title and Risk.** Title and risk of loss to purchased Equipment will pass to Customer upon delivery. Until the Products are paid for in full Customer will insure the Product against loss or damage, and the policy will name Xerox as a loss payee.
   c) **Payment.** Customer’s payment under an Installment Purchase IA shall consist of the Installment Purchase Minimum Payments, along with a separate maintenance charge for the provision of Maintenance Services, if applicable, and all applicable Taxes.
   d) **Prepayment of Balance.** Customer, at any time, may prepay the remaining principal balance on an Individual Installment Purchase IAs, thereby eliminating the obligation to pay future finance charges.
   e) **Customer Default & Xerox Remedies.** If Customer defaults under the Agreement or an IA, Xerox, in addition to its other remedies, including the cessation of Maintenance Services, may require immediate payment, as liquidated damages for loss of bargain and not as a penalty, of: (a) all amounts then due, plus interest on all amounts due from the due date until paid at the rate of one and one-half percent (1.5%) per month (not to exceed the maximum amount permitted by law); and (b) the remaining Installment Purchase Minimum Payments in the Installment Purchase IA term less any unearned finance charges as reflected on Xerox’s books and records, and (c) all applicable Taxes.

In addition, if an Installment Purchase IA includes maintenance, Xerox may require immediate payment, as liquidated damages for loss of bargain and not as a penalty, of: (a) the lesser of the remaining Minimum Periodic Base Payments in the Individual Installment Purchase Agreement’s term or six (6) such payments for one-year agreements and twelve (12) payments for multi-year agreements; and, (b) all applicable Taxes.

If Customer is required to make and actually makes the remaining Installment Purchase Minimum Payments in the Individual Installment Purchase IAs term, Customer shall retain the right to the Equipment as if no default under the Agreement or an Installment Purchase IA had occurred. If Customer is required to make Minimum Periodic Base Payments for maintenance services not yet earned by Xerox pursuant to this paragraph, Xerox shall be required to provide the maintenance services for the payments made as if no default under the Agreement or an Installment Purchase IA had occurred.
ARTICLE II - MAINTENANCE TERMS AND CONDITIONS

Customer's acquisition of Maintenance Services via an IA shall be governed by the terms and conditions contained in the Agreement, this Article II, and the prices set forth on the attached Pricing Exhibit(s).

1. **Maintenance Services.** Xerox (or a designated servicer) shall provide Maintenance Services as defined in section 12 of the Agreement. Customer will facilitate timely and efficient resolution of Equipment issues by: (a) replacing Cartridges; and (b) providing information to and implementing recommendations provided by Xerox telephone support personnel. If an Equipment issue is not resolved after completion of (a) through (b) above, Xerox will provide on-site support as provided in the applicable IA. Customer agrees to give Xerox reasonable access to the Equipment. Maintenance Services are provided as a mandatory part of a IA for leased or rented Equipment, or under a maintenance IA. Maintenance Services will be provided during Xerox’s standard working hours in areas open for repair service for the Equipment. Maintenance Services excludes repairs due to: (a) misuse, neglect or abuse; (b) failure of the installation site or the PC or workstation used with the Equipment to comply with Xerox’s published specifications; (c) use of options, accessories or products not serviced by Xerox; or (d) non-Xerox alterations, relocation, service or supplies. Replacement parts may be new, reprocessed or recovered and all replaced parts become Xerox’s property. Xerox will replace the Equipment with an identical model or, at Xerox's option, another model with comparable features and capabilities. There will be no additional charge for the replacement Equipment during the remainder of the initial Term. If meter reads are a component of a Maintenance Plan, Customer will provide them using the method and frequency identified by Xerox. If Customer does not provide a meter reading for Equipment not capable of Remote Data Access, or if Remote Data Access is interrupted, Xerox may reasonably estimate the reading and bill Customer accordingly.

The service technicians assigned to provide Maintenance Services will have the expertise, skills, training, and professional education to perform the Maintenance Services in a professional manner and will perform such Maintenance Services in a manner that at a minimum is consistent with industry standard.

2. **Term.** The Term for Maintenance Services will begin on the Equipment Installation Date and expire on the last day of the final calendar month of the initial Term.

   a. Xerox may annually increase the Minimum Payments and Print Charges, each such increase do not exceed 6%. For Application Software, Xerox may annually increase the software license or support fees, each such increase not to exceed 6%. These adjustments will occur at the commencement of each fiscal/annual contract cycle.

3. **Customer Default & Xerox Remedies.** If Customer defaults under the Agreement or applicable IA, Xerox, in addition to its other remedies (including the cessation of Maintenance Services), may require immediate payment, as liquidated damages for loss of bargain and not as a penalty, of: (a) all amounts then due, plus interest on all amounts due from the due date until paid at the rate of one and one-half percent (1.5%) per month (not to exceed the maximum amount permitted by law); and (b) the lesser of: the remaining Minimum Payments in such maintenance IA's term or six (6) such payments for one-year agreements or twelve (12) such payments for multi-year agreements; and, (c) all applicable Taxes. Customer will pay all reasonable costs, including attorneys’ fees, incurred by Xerox to enforce this Agreement.

4. **Hours.** If you elect "Extended Shift Coverage" Xerox will provide Maintenance Services for the indicated number of eight-hour-shifts, with the first number indicating the number of eight-hour shifts and the second number indicating the days of the week (starting on Monday), e.g., 2 x 6 means 8:00 A.M. to 12:00 A.M., Monday through Saturday. Extended Shift Coverage will be billed separately.

5. **Renewal.** Xerox will notify the Customer at least 30 days prior to the expiration of the then-current term of each maintenance IA and, unless notice of cancellation is received from the Customer (or provided to Customer by Xerox) prior to the expiration of the then-current term, the maintenance IA will automatically renew for a term of the same number of months as the initial Term.
ARTICLE III - LEASE TERMS AND CONDITIONS

Customer’s acquisition of Equipment via a lease hereunder shall be governed by the terms and conditions contained in the Agreement, this Article III, the Maintenance Services contained in Article II, and the prices set forth on the attached Pricing Exhibit(s).

1. CONTRACT NUMBERS AND TERM. Customer agrees to enter the applicable contract number MHEC-05012018 on all Order Documents for IAs. Individual leases may be for terms of either 36, 48, or 60 months, depending upon the term selected by the Customer.

2. Non-Cancelable Agreement. LEASE IAS CANNOT BE CANCELED OR TERMINATED EXCEPT AS EXPRESSLY PROVIDED HEREIN. CUSTOMER’S OBLIGATION TO MAKE ALL PAYMENTS, AND TO PAY ANY OTHER AMOUNTS DUE OR TO BECOME DUE, IS ABSOLUTE AND UNCONDITIONAL AND NOT SUBJECT TO DELAY, REDUCTION, SET-OFF, DEFENSE, COUNTERCLAIM OR RECOUPMENT FOR ANY REASON WHATSOEVER, IRRESPECTIVE OF XEROX’S PERFORMANCE OF ITS OBLIGATIONS HEREUNDER. ANY CLAIM AGAINST XEROX MUST BE ASSERTED IN A SEPARATE ACTION AND SOLELY AGAINST XEROX.

3. Lease IA Term. The initial Term for any lease IA will be the number of full calendar months stated in the IA. The Minimum Payment for any partial month following the Equipment Installation Date will be billed on a pro rata basis, based on a 30 day month. Unless either party provides notice of termination at least 30 days before the expiration of the initial Term, it will renew on a month-to-month basis at the same prices, and the same terms and conditions. During the renewal period, either party may terminate the lease IA upon at least 30 days notice. Upon termination, Customer will make the Equipment available for removal by Xerox. At the time of removal, the Equipment will be in the same condition as when delivered, reasonable wear and tear accepted.

4. Fixed Pricing. Except as otherwise set forth herein, the prices listed on the attached Pricing Exhibit(s) will not increase during the initial lease IA Term under this Agreement. Thereafter, Xerox may annually increase the maintenance/supply Monthly Minimum Charge and the Print Charge under an IA up to 6%

5. TITLE AND RISK. Title to the Equipment remains with Xerox until Customer exercises its Purchase Option. Risk of loss or damage to the Products passes to Customer upon delivery. Customer will insure the Equipment against loss or damage and the policy will name Xerox as Loss Payee. Customer agrees that: (a) the Equipment will remain personal property; (b) Customer will not attach the Equipment as a fixture to any real estate; (c) Customer will not pledge, sub-lease, or part with possession of the Equipment or file, or permit to be filed, any lien against the Equipment; and, (d) Customer will not make any permanent alterations to the Equipment.

6. PAYMENT. Payment to Xerox is due within 30 days after invoice date, with all charges being billed in arrears. Restrictive covenants on payment instruments will not reduce your obligations. Customer authorizes Xerox, or its agent, to obtain credit reports from commercial credit reporting agencies. Late payments and default are subject to Section 18 of the General Terms and Conditions of this Agreement.

7. REMEDIES. If Customer defaults under the Agreement or any IA, Xerox may, in addition to its other remedies (including cessation of Maintenance Services), remove the Equipment at Customer’s expense and require immediate payment, as liquidated damages for loss of bargain and not as a penalty, of: (a) all amounts then due, plus interest from the due date until paid as allowed under Customer’s state law; (b) the Minimum Payments less the Maintenance Services and Consumable Supplies components thereof, as reflected on Xerox’s books and records remaining in the IA Term, discounted at 4% per annum; and (c) the applicable Purchase Option as defined in section 10 of this Article; and (d) applicable Taxes. You will pay all reasonable costs, including attorneys’ fees, incurred by Xerox to enforce the Contract. If Customer makes the Equipment available for removal by Xerox within 30 days after the notice of default, in the same condition as when delivered, reasonable wear and tear accepted, upon recovery of the Equipment Customer will receive a credit for the fair market value of the Equipment as determined by Xerox, less any costs incurred by Xerox.

8. WAIVER. The PARTIES INTEND AN IA TO BE A “FINANCE LEASE” UNDER ARTICLE 2A OF THE UNIFORM COMMERCIAL CODE. In the event of a conflict between the provisions of Article 2A of the Uniform Commercial Code and the terms and conditions of this Agreement, the terms and conditions of this Agreement shall apply. Except to the extent expressly provided herein and to the extent permitted by applicable law, Customer waives all rights and remedies conferred upon a lessee by Article 2A of the Uniform Commercial Code. The parties agree that they will not employ any "self-help" methods to enforce the terms of this Agreement.

9. Refinanced Amounts. The “Amount Refinanced” is included in the amount financed under the IA. If the Amount Refinanced is under an order with a third party, Customer acknowledges that they have the right to terminate the agreement and Customer will provide Xerox with a statement from the third party identifying the equipment at issue, the amount to be paid off, and the payee’s name and mailing address. If the Amount Refinanced is under an agreement with Xerox, the refinancing will render Customer’s prior lease agreement null and void. If Customer breaches any of its obligations under the refinanced lease agreement, the remaining Amount Refinanced amount will be immediately due and payable.

10. LEASE OPTIONS. The following options are available for Equipment subject to an IA:
   a) PURCHASE OPTIONS.
i. **FMV Purchase Option.** If not in default hereunder, Customer may purchase the Equipment, "AS IS, WHERE-IS" and WITHOUT ANY WARRANTY AS TO CONDITION OR VALUE, at the end of the initial Term of a lease IA for the Equipment's then current fair market value, plus all applicable Taxes.

ii. **FPO Purchase Option.** If not in default hereunder, Customer may purchase the Equipment, "AS IS, WHERE-IS" and WITHOUT ANY WARRANTY AS TO CONDITION OR VALUE, at the end of the initial Term of a Lease Order for the set purchase option indicated in the IA, plus all applicable Taxes.

b) **LEASE RENEWAL.** Unless either party provides notice at least thirty (30) days before the end of the Term of an IA hereunder of its intention not to renew, said IA will renew automatically on a month-to-month basis at the same price, terms and conditions and billing frequency as the original IA. During this renewal period, either party may terminate the IA upon at least thirty (30) days’ notice.

c) **LEASE TERMINATION.** Upon termination of the lease, and if Customer has not purchased the Equipment, Customer shall make the Equipment available for removal by Xerox when requested to do so by Xerox and, at the time of removal, the Equipment shall be in the same condition as when delivered, reasonable wear and tear excepted, together with any related software.
ARTICLE IV – Rental Terms

Customer’s acquisition of Equipment via a rental IA hereunder shall be governed by the terms and conditions contained in the Agreement, this Article IV, and the prices set forth on the attached Pricing Exhibit.

1. Title and Risk of Loss. Title to the Products remains with Xerox. Risk of loss or damage to the Products passes to Customer upon delivery. Customer will insure the Products against loss or damage and the policy will name Xerox as Loss Payee.

2. Rental IA Term. The initial Term for each rental IA will run concurrently with the term of the Pricing Exhibit.

3. Pricing. The pricing set forth in the Pricing Exhibit include Consumable Supplies. Except as otherwise set forth herein, the Minimum Payment and Print Charges will not increase during the initial 12 months of the IA. Thereafter, Xerox may annually increase the Print Charges under a Rental IA up to 6%.

4. Rental Order Commencement & Term. Unless either party provides notice of termination at least 30-days before the expiration of the initial Term, it will renew automatically for successive terms of the same number of months as the initial Term, unless a written notice of cancellation is received from Customer prior to the expiration of the then-current IA Term. During the renewal period, either party may terminate the Equipment upon at least 30-days notice. Upon termination, Customer will make the Equipment available for removal by Xerox. At the time of removal, the Equipment will be in the same condition as when delivered, reasonable wear and tear accepted.

5. Equipment Return. Unless Customer has renewed or purchased the Equipment, Customer will make the Equipment and Base Software available for removal at the expiration of the rental IA term in the same condition as when delivered, reasonable wear and tear accepted.

6. 30-Day Flexible Termination. You may terminate a rental IA at any time with 30-days prior written notice if the Equipment has been installed a minimum of thirty-one days and Xerox is given 30-days prior written notice of such termination. ETC’s will not be charged if Customer purchases or finances the Equipment through Xerox, upgrades the Equipment with another Xerox Product, or terminates any accessory under an IA.

7. Customer Default and Xerox Remedies. If Customer defaults under the Agreement or any IA, Xerox, in addition to its other remedies, including the cessation of Maintenance Services, may require the immediate payment as liquidated damages for loss of bargain and not as a penalty, of (a) all amounts then due, plus interest from the due date until paid at the rate of one and one-half percent (1.5%) per month; and (b) Early Termination Charges (“ETCs“) equal to all remaining Minimum Payments, not to exceed six (6) months, and (c) all applicable taxes. Customer will make the Equipment available for removal when requested to do so, and at the time of removal the Equipment will be in the same conditions as when delivered, reasonable wear and tear accepted.

8. Customer Training and Analyst Services. The pricing set forth in the Pricing Exhibit for certain models of Equipment includes one training session and analyst services pursuant to the terms and conditions of the applicable then-current Xerox Customer Education price list. Additional training and analyst services will be subject to the prices, terms and conditions in the applicable then-current price list.

SVC 1.1 – SCOPE OF SERVICES
Subject to the terms and conditions of this Agreement, Services will be performed by Xerox and/or its Affiliates in accordance with the requirements set forth in an Order. If Customer fails to perform or is delayed in performing any of its responsibilities under this Agreement, such failure or delay may prevent Xerox from being able to perform any part of the Services or Xerox-related activities. Xerox shall be entitled to an extension or revision of the applicable term of the Order (which may include setting a new expected date for commencement of Services) or to an equitable adjustment in performance metrics associated with such failure or delay.

SVC 1.2 – CHARGES FOR SERVICES
Charges for Services are set forth in the applicable Order. Charges are based upon information exchanged between Customer and Xerox, which is assumed to be complete and accurate, and also depend upon other factors such as the timely performance by Customer of its responsibilities. If: (a) such information should prove to be incomplete or inaccurate in any material respect; or (b) there is a failure or delay by the Customer in performing its responsibilities under this Agreement or an Order which results in Xerox incurring a loss or additional cost or expense, then the charges shall be adjusted to reflect proportionately the impact of such materially incomplete or inaccurate information or such failure or delay. Charges that are indicated in an Order as being fixed are not subject to an annual percentage escalation for the initial term of such Order. If Xerox provides Services partially or early (for example, prior to the start of the initial term of an Order), Xerox will bill Customer on a pro rata basis, based on a thirty (30) day month, and the terms and conditions of this Agreement will apply.

SVC 1.3 – USE OF SUBCONTRACTORS
Xerox may, when it reasonably deems it appropriate to do so, subcontract any portion of the Services. Xerox shall remain responsible for any Services performed by subcontractors retained by Xerox to the same extent as if such Services were performed by Xerox.

SVC 1.4 – SERVICES SCOPE CHANGES
Except as otherwise set forth in an Order, either party may propose to modify the then-existing Services that are described in an Order, or to add new Services under a Services Contract. If Xerox determines such changes are feasible, Xerox will prepare and propose to Customer an Order incorporating the requested changes and any related impact to the Charges or terms. Once Customer executes and Xerox accepts the Order, Xerox will promptly proceed with the new and/or revised Services in accordance with the terms of the Order and this Agreement.

SVC 1.5 – EARLY TERMINATION OF SERVICES AND LABOR
Except as otherwise set forth in a Services Contract, upon ninety (90) days prior written notice, Customer may terminate or reduce any Services or labor provided pursuant to an Order without incurring early termination charges except as set forth in the next sentence. Notwithstanding the foregoing, if any such Services or labor provided under an Order are terminated (a) by Xerox due to Customer's default or (b) by Customer and Customer acquires similar services from another supplier within six (6) months of the termination of such Services or labor, Customer shall pay all amounts due as of the termination date, together with the early termination charges, for loss of bargain and not as a penalty, stated in the Order or, if not specifically stated therein, an amount equal to the then current MMC for said terminated or reduced Services or labor multiplied by the number of months remaining in the term of the related Order, not to exceed six (6) months.

b. If Xerox is providing Maintenance Services for Equipment that uses Cartridges, Customer will use only unmodified Cartridges purchased directly from Xerox or its authorized resellers. Failure to use such Cartridges will void any warranty applicable to such Equipment. Cartridges packed with Equipment or furnished by Xerox as Consumable Supplies will meet Xerox’s new Cartridge performance standards and may be new, remanufactured or reprocessed and contain new and/or reprocessed components. To enhance print quality, Cartridges for many models of Equipment have been designed to cease functioning at a predetermined point. Many Equipment models are designed to function only with Cartridges that are newly manufactured original Xerox Cartridges or with Cartridges intended for use in the U.S.

MS 1.3 – HOURS AND EXCLUSIONS
Unless otherwise set forth in an Order, Maintenance Services will be provided in areas accessible for repair services during Xerox’s standard working hours. Maintenance Services excludes repairs due to: (a) misuse, neglect or abuse; (b) failure of the installation site or the PC or workstation used with the Equipment to comply with Xerox’s published specifications; (c) use of options, accessories, or other products not serviced by Xerox; (d) non-Xerox alterations, relocation, service or supplies; and (e) failure to perform operator maintenance procedures identified in operator manuals. Customer agrees to furnish all referenced parts, tools, and supplies needed to perform those procedures that are described in the applicable manuals and instructions.

MS 1.4 – INSTALLATION SITE AND METER READINGS
In order to receive Maintenance Services for Equipment requiring connection to a PC or workstation, Customer must utilize a PC or workstation that either (a) has been provided by Xerox or (b) meets Xerox’s published specifications. The Equipment installation site must conform to Xerox’s published requirements. If applicable, unless otherwise set forth in an Order, Customer
agrees to provide meter readings in the manner prescribed by Xerox. If Customer does not provide Xerox with meter readings as required, for Equipment not capable of Remote Data Access, or if Remote Data Access is interrupted, Xerox may estimate them and bill Customer accordingly.

MS 1.5– REMEDY

If Xerox is unable to maintain the Equipment as described above, Xerox will, as Customer’s exclusive remedy for Xerox’s failure to provide Maintenance Services, replace the Equipment with an identical product or, at Xerox’s option, another model with comparable features and capabilities. If replacement Equipment is provided pursuant to this Section, there shall be no additional charge for its provision by Xerox during the initial term of the Order and it shall be subject to the terms and conditions of this Agreement and the applicable Order(s). Customer’s use of non-Xerox approved consumables that affect the performance of the Equipment may invalidate this remedy.

MS 1.6– END OF SERVICE

Xerox has no obligation to maintain or replace Equipment beyond the “End of Service” for that particular model of Equipment. End of Service (“EOS”) means the date announced by Xerox after which Xerox will no longer offer Maintenance Services for a particular Equipment model. Except for said fixed Equipment pricing plans or fixed pricing agreed to in an Order, Xerox may adjust prices in the twelfth (12th) month of the term of an individual Offering, and no more often than annually thereafter.

c. Pricing set forth in an Order for Services is based upon shared information believed to be complete and accurate. If such information should prove to be incomplete or inaccurate in any material respect, or Customer requests any changes or additions to an Order, the parties will negotiate in good faith to make appropriate adjustments to the Order (including pricing).

d. If Xerox provides or installs Offerings partially and/or early, Xerox will bill Customer on a pro-rata basis, based on a thirty (30) day billing month, and the terms and conditions of this MSA will apply. Services requested outside of Customer's standard working hours will be billed at Xerox's then prevailing overtime rates.

8. REPRESENTATIONS, WARRANTIES AND COVENANTS. Each party represents that, as of the date of this MSA, it has the lawful power and authority to enter into this MSA, the individuals signing this MSA or an Order are duly authorized to do so on its behalf and, by entering into this MSA, it will not violate any law or other agreement to which it is a party. In addition, Customer is not aware of anything that will have a material negative effect on its ability to satisfy Customer's payment obligations under this MSA and all financial information Customer has provided, or will provide, to Xerox is true and accurate and provides a good representation of Customer's financial condition. Each party agrees it will promptly notify the other party in writing of a change in ownership, if it relocates its principal place of business or changes the name of its business.

EXHIBIT C: SECURITY

Security

Xerox security strategy is to protect Customer data at multiple levels, which includes data security, data integrity, data privacy, and physical security. Xerox currently uses products by Oracle, Cisco Systems, Trend Micro, Symantec, GFI LanGuard, Critical Watch, Network Associates and other premier security products and services.

To facilitate the privacy, security, and availability of Customer data and transactions, Xerox employs the following technologies in delivering its service.

- Secure Data Center
- Encrypted User Authentication
- Internet Firewalls
- Network Address Translation and Proxy Services and Servers
- Secure Socket Layer Data Encryption (SSL)
- Redundant, Highly Available Routers and Switches
- Redundant, Highly Available, and Secure Web, File, Application, and Data Base Servers
- Redundant, Highly Available Power Management
- Highly Available Data Access via redundant circuits and carriers
- Regularly Scheduled Backups, Offsite Storage, and Site Replication
- Hardened Servers and Operating Systems
- Regular Vulnerability Scanning

Data Center Security
Xerox’s production systems are located in private Xerox data center facilities. Production web, application, file, and database servers along with network equipment are monitored and protected. Xerox data center access is monitored by video surveillance and controlled by the use of card readers, biometric scanners and on site security personnel. Access requires pre-approval along with document and photo validation.

Network Security
Xerox’s network is continuously monitored and protected by redundant firewalls. Firewall logs are reviewed on a regular basis. Network logging and tracking are enabled.

Data Security and Availability
Xerox’s uses 256-bit domestic and 128 bit international SSL encryption to protect the Customer’s data as it leaves our site. Xerox uses ssh encryption via RSA (ssh1) and OSA (sslt2) public keys for communication between services. Oracle databases are protected by firewalls against unauthorized usage.

Data is stored on highly redundant storage systems. The Data Base servers are configured in either RAID 10, RAID 5, or RAID 1 (mirror) configuration as required. The storage solution has its own redundancy and is configured for cluster failover.

Secure Application Access
Xerox’s users access the application using password authentication encrypted via SSL. The robust design of the application controls and limits access to Customer specific data.

System Security
Xerox uses tightly controlled passwords on its servers and network equipment. Xerox limits access to production systems to authorized personnel only. Passwords are changed on a regular basis. Security Updates to the operating systems are tracked and updated as necessary during standard maintenance windows.
System Reliability
Xerox designs the application and infrastructure as a tightly integrated solution, leveraging high availability and redundant computer platforms, storage arrays, and enterprise network cloud infrastructures. Virtual servers are imaged via snapshots, backed up, and replicated to the disaster recovery site.

Infrastructure Support
Xerox has in place an expert team to provide 24x7 services for cloud, server, network management, monitoring, backups, and system maintenance.

Data Storage
Customer data is stored on a server that is configured with RAID 10, RAID 5, or RAID 1 (mirror) redundancy. In the event of a disk failure, the Customer will not experience an interruption of service. In addition to the server configured with RAID 10, RAID 5, or RAID 1 data is also stored on a storage solution that has its own built-in redundancy, thus providing an extra layer of data protection.
